(3) public exigency will not allow delay incident to advertising certain personal property;

(4) the nature and quantity of personal property involved are such that disposal under subsection (a) would impact an industry to an extent that would adversely affect the national economy, and the estimated fair market value of the property and other satisfactory terms of disposal can be obtained by negotiation;

(5) the estimated fair market value of the property involved does not exceed \$15,000;

(6) after advertising under subsection (a), the bid prices for the property, or part of the property, are not reasonable or have not been independently arrived at in open competition;

The Administrator may assign and reassign the leased space to a federal agency.

(2) **TERMS.**—A lease agreement under this subsection shall be on terms the Administrator considers to be in the interest of the Federal Government and necessary for the accommodation of the federal agency. However, the lease agreement may not bind the Government for more than 20 years and the obligation of amounts for a lease under this subsection is limited to the current fiscal year for which payments are due without regard to section 1341(a)(1)(B) of title 31.

(3) EXEMPTIONS.—The Administrator may exempt anyone from the charges required by this subsection when the Administrator determines that charges would be infeasible or impractical. To the extent an exemption is granted, appropriations to the General Services Administration are authorized to reimburse the Federal Buildings Fund for any loss of revenue.

(c) CHARGES BY EXECUTIVE AGENCIES.—

(1) IN GENERAL.—An executive agency, other than the Administration, may impose a charge for furnishing space and services at rates approved by the Administrator.

However, the user fee may not be less than necessary to pay the cost of establishing and operating the telecommuting center, including the reasonable cost of renovation and replacement of furniture, fixtures, and equipment.

(4) DEPOSIT AND USE OF FEES.—The Administrator may—

(A) deposit user fees into the Federal Buildings Fund and use the fees to pay costs incurred in establishing and operating the telecommuting center; and

(B) accept and retain income received by the General Services Administration, from federal agencies and non-federal sources, to defray costs directly associated with the functions of telecommuting centers.

(c) DEVELOPMENT OF ALTERNATIVE WORKPLACE ARRANGEMENTS BY EXECUTIVE AGENCIES AND OTHERS.—

(1) DEFINITION.—In this subsection, the term “alternative workplace arrangements” includes telecommuting, hoteling, virtual offices, and other distributive work arrangements.

§ 901. Purpose and policy

The purpose of this chapter is to promote harmonious intergovernmental relations and encourage sound planning, zoning, and land use practices by prescribing uniform policies and procedures for the Administrator of General Services to acquire, use, and dispose of land in urban areas. To the greatest extent practicable, urban land transactions entered into for the General Services Administration and other federal agencies shall be consistent with zoning

and land use practices and with the planning and development objectives of local governments and planning agencies.

§ 902. Definitions

In this chapter, the following definitions apply:

(1) **UNIT OF GENERAL LOCAL GOVERNMENT.**—The term “unit of general local government” means a city, county, town, parish, village, or other general-purpose political subdivision of a State.

(2) **URBAN AREA.**—The term “urban area” means—

(A) a geographical area within the jurisdiction of an incorporated city, town, borough, village, or other unit of general local government, except a county or parish, having a population of at least 10,000 inhabitants;

(B) that portion of the geographical area within the jurisdiction of a county, town, township, or similar governmental entity which contains no incorporated unit of general local government but has a population density of at least 1,500 inhabitants per square mile; and

(C) that portion of a geographical area having a population density of at least 1,500 inhabitants per square mile and situated adjacent to the boundary of an incorporated unit of general local government which has a population of at least 10,000.

§ 903. Acquisition and use

(a) **NOTICE TO LOCAL GOVERNMENT.**—To the extent practicable, before making a commitment to acquire real property situated in an urban area, the Administrator of General Services shall give notice of the intended acquisition and the proposed use of the property to the unit of general local government exercising zoning and land use jurisdiction. If the Administrator determines that providing advance notice would adversely impact the acquisition, the Administrator shall give notice of the acquisition and the proposed use of the property immediately after the property is acquired.

(b) **OBJECTIONS TO ACQUISITION OR CHANGE OF USE.**—In the acquisition or change of use of real property situated in an urban area as a site for public building, if the unit of general local government exercising zoning and land use jurisdiction objects on grounds that the proposed acquisition or change of use conflicts with zoning regulations or planning objectives, the Administrator shall, to the extent the Administrator determines is practicable, consider all the objections and comply with the zoning regulations and planning objectives.

§ 904. Disposal

(a) **NOTICE TO LOCAL GOVERNMENT.**—Before offering real property situated in an urban area for sale, the Administrator of General Services shall give reasonable notice to the unit of general local government exercising zoning and land use jurisdiction in order to provide an opportunity for zoning so that the property is used in accordance with local comprehensive planning described in subsection (c).

(b) **NOTICE TO PROSPECTIVE PURCHASERS.**—To the greatest extent practicable, the Administrator shall furnish to all prospective purchasers of real property situated in an urban area complete information concerning—

(1) current zoning regulations, prospective zoning requirements, and objectives for property if it is unzoned; and

(2)(A) the current availability of streets, sidewalks, sewers, water, street lights, and other service facilities; and

(B) the prospective availability of those service facilities if the property is included in local comprehensive planning described in subsection (c).

(c) LOCAL COMPREHENSIVE PLANNING.—Local comprehensive planning referred to in subsections (a) and (b) includes any of the following activities, to the extent the activity is directly related to the needs of a unit of general local government:

(1) As a guide for government policy and action, preparing general plans related to—

(A) the pattern and intensity of land use;

(B) the provision of public facilities (including transportation facilities) and other government services; and

(C) the effective development and use of human and natural resources.

(2) Preparing long-range physical and fiscal plans for government action.

(3) Programming capital improvements and other major expenditures, based on a determination of relative urgency, together with definitive financial planning for expenditures in the earlier years of a program.

(4) Coordinating related plans and activities of state and local governments and agencies.

(5) Preparing regulatory and administrative measures to support activities described in this subsection.

§ 905. Waiver

The procedures prescribed in sections 903 and 904 of this title may be waived during a period of national emergency proclaimed by the President.

§ 1101. Policy

§ 1102. Definitions

In this chapter, the following definitions apply:

(1) AGENCY HEAD.—The term “agency head” means the head of a department, agency, or bureau of the Federal Government.

(3) FIRM.—The term “firm” means an individual, firm, partnership, corporation, association, or other legal entity permitted by law to practice the profession of architecture or engineering.

(b) ANNUAL STATEMENTS.—The agency head shall encourage firms to submit annually a statement of qualifications and performance data.

(c) EVALUATION.—For each proposed project, the agency head shall evaluate current statements of qualifications and performance data on file with the agency, together with statements submitted by other firms regarding the proposed project. The agency head shall conduct discussions with at least 3 firms to consider anticipated concepts and compare alternative methods for furnishing services.

(d) SELECTION.—From the firms with which discussions have been conducted, the agency head shall select, in order of preference, at least 3 firms that the agency head considers most highly qualified to provide the services required. Selection shall be based on criteria established and published by the agency head.

§ 1104. Negotiation of contract

(a) IN GENERAL.—The agency head shall negotiate a contract for architectural and engineering services at compensation which the agency head determines is fair and reasonable to the Federal Government. (b) ORDER OF NEGOTIATION.—The agency head shall attempt to negotiate a contract, as provided in subsection (a), with the most highly qualified firm selected under section 1103 of this title. § 1302. Lease of buildings

Except as otherwise specifically provided by law, the leasing of buildings and property of the Federal Government shall be for a money consideration only. The lease may not include any provision for the alteration, repair, or improvement of the buildings or property as a part of the consideration for the rent to be paid for the use and occupation of the buildings or property. Money derived from the rent shall be deposited in the Treasury as miscellaneous receipts.

§ 1303. Disposition of surplus real property

(a) DEFINITION.—In this section, the term “federal agency” means an executive department, independent establishment, commission, board, bureau, division, or office in the executive branch, or other agency of the Federal Government, including wholly owned Government corporations.

(b) ASSIGNMENT OF SPACE OR LEASE OR SALE OF PROPERTY.—

(1) ACTIONS OF ADMINISTRATOR.—When the President, on the recommendation of the Administrator of General Services, or the federal agency having control of any real property the agency acquires that is located outside of the District of Columbia, other than military or naval reservations, declares the property to be surplus to the needs of the agency, the Administrator—

(A) may assign space in the property to any federal agency;

(B) pending a sale, may lease the property for not more than 5 years and on terms the Administrator considers to be in the public interest; or

(C) may sell the property at public sale to the highest responsible bidder on terms and after public advertisement that the Administrator considers to be in the public interest.

(2) REVIEW OF DECISION TO ASSIGN SPACE.—If the federal agency to which space is assigned does not desire to occupy the space, the decision of the Administrator under paragraph (1)(A) is subject to review by the President.

(3) NEGOTIATED SALE.—If no bids which are satisfactory as to price and responsibility of the bidder are received as a result of public advertisement, the Administrator may sell the property by negotiation, on terms as may be considered to be to the best interest of the Government, but at a price not less than that bid by the highest responsible bidder.

(c) DEMOLITION.—The Administrator may demolish any building declared to be surplus to the needs of the Government under this section on deciding that demolition will be in the best interest of the Government. Before proceeding with the demolition, the Administrator shall inform the Secretary of the Interior in writing of the Administrator's intention to demolish the building, and shall not proceed with the demolition until receiving written notice from the Secretary that the building is not an historic building of national significance within the meaning of the Act of August 21, 1935 (16 U.S.C. 461 et seq.) (known as the Historic Sites, Buildings, and Antiquities Act). If the Secretary does not notify the Administrator of the Secretary's decision as to whether the building is an historic building of national significance within 90 days of the receipt of the notice of intention to demolish the building, the Administrator may proceed to demolish the building.

(d) REPAIRS AND ALTERATIONS TO ASSIGNED REAL PROPERTY.—When the Administrator, after investigation, decides that real property referred to in subsection (b) should be used for the accommodation of a federal agency, the Administrator may make any repairs or alterations that the Administrator considers necessary or advisable and may maintain and operate the property.

(e) PAYMENT BY FEDERAL AGENCIES.—

(1) ASSIGNED REAL PROPERTY.—To the extent that the appropriations of the General Services Administration not otherwise allocated are inadequate for repairs, alterations, maintenance, or operation, the Administrator may require each federal agency to which space has been assigned to pay promptly by check to the Administrator out of its appropriation for rent any part of the estimated or actual cost of the repairs, alterations, maintenance, and operation. Payment may be either in advance

of, or on or during, occupancy of the space. The Administrator shall determine and equitably apportion the total amount to be paid among the agencies to whom space has been assigned.

(2) LEASED SPACES.—To the extent that the appropriations of the Administration not otherwise required are inadequate, the Administrator may require each federal agency to which leased space has been assigned to pay promptly by check to the Administrator out of its available appropriations any part of the estimated cost of rent, repairs, alterations, maintenance, operation, and moving. Payment may be either in advance or during occupancy of the space. When space in a building is occupied by two or more agencies, the Administrator shall determine and equitably apportion rental, operation, and other charges on the basis of the total amount of space leased.

(f) AUTHORIZATION OF APPROPRIATIONS.—Necessary amounts may be appropriated to cover the costs incident to the sale or lease of real property, or authorized demolition of buildings on the property, declared to be surplus to the needs of any federal agency under this section, and the care, maintenance, and protection of the property, including pay of employees, travel of Government employees, brokers' fees not in excess of rates paid for similar services in the community where the property is situated, appraisals, photographs, surveys, evidence of title and perfecting of defective titles, advertising, and telephone and telegraph charges. However, the agency remains responsible for the proper care, maintenance, and protection of the property until the Administrator assumes custody or other disposition of the property is made.

(g) REGULATIONS.—The Administrator may prescribe regulations as necessary to carry out this section.

§ 1304. Transfer of federal property to States

(a) OBSOLETE BUILDINGS AND SITES.—

(1) IN GENERAL.—The Administrator of General Services, in the Administrator's discretion, on terms the Administrator considers proper, and under regulations the Administrator may prescribe, may sell property described in paragraph (2) to a State or a political subdivision of a State for public use if the Administrator considers the sale to be in the best interest of the Federal Government.

(2) APPLICABLE PROPERTY.—The property referred to in paragraph (1) is any federal building, building site, or part of a building site under the Administrator's control that has been replaced by a new structure and that the Administrator determines is no longer needed by the Government.

(3) PRICE.—The purchase price for a sale under this section must be at least 50 percent of the value of the land as appraised by the Administrator.

(4) PROCEEDS OF SALE.—The proceeds of a sale under this section shall be deposited in the Treasury as miscellaneous receipts.

(5) PAYMENT TERMS.—The Administrator may enter into a long term contract for the payment of the purchase price in installments that the Administrator considers fair and reasonable. The Administrator may waive any requirement for interest charges on deferred payment.

(6) CONVEYANCE.—The Administrator may convey property sold under this section by the usual quitclaim deed.

(b) **WIDENING OF PUBLIC ROADS.**—

(1) **DEFINITION.**—In this subsection, the term “executive agency” means an executive department or independent establishment in the executive branch of the Government, including any wholly owned Government corporation.

(2) **IN GENERAL.**—When a State or a political subdivision of a State applies for a conveyance or transfer of real property of the Government in connection with an authorized widening of a public highway, street, or alley, the head of the executive agency that controls the affected real property may convey or transfer to the State or political subdivision, with or without consideration, an interest in the real property that the agency head determines is not adverse to the interests of the Government. A conveyance or transfer under this subsection is subject to terms and conditions the agency head considers necessary to protect the interests of the Government.

(3) **LIMITATION ON TRANSFERS FOR HIGHWAY PURPOSES.**—An interest in real property which can be transferred to a State or a political subdivision of a State for highway purposes under title 23 may not be conveyed or transferred under this subsection.

(4) **LIMITATION ON ISSUANCE OF RIGHTS OF WAY.**—Rights of way over, under, and through public lands and lands in the National Forest System may not be granted under this subsection.

§ 1305. Disposition of land acquired by devise

(2) **PROPERTY.**—The term “property” means all personal property, including vessels, vehicles, and aircraft.

(b) **VOLUNTARILY ABANDONED PROPERTY.**—Property voluntarily abandoned to any agency in a way that vests title to the property in the Government may be retained by the agency and devoted to official use only. If the agency does not desire to retain the property, the head of the agency immediately shall notify the Administrator of General Services to that effect, and the Administrator, within a reasonable time, shall—

(1) order the agency to deliver the property to another agency that requests the property and that the Administrator believes should be given the property; or

(2) order disposal of the property as otherwise provided by law.

(c) **FORFEITED PROPERTY.**—

(1) **AGENCY RETAINS PROPERTY.**—An agency that seizes property that has been forfeited to the Government other than

by court decree may retain the property and devote it only to official use instead of disposing of the property as otherwise provided by law if competent authority does not order the property returned to any claimant.

(2) AGENCY DOES NOT DESIRE TO RETAIN PROPERTY.—If the agency does not desire to retain the property, the head of the agency immediately shall notify the Administrator to that effect, and the property—

(A) if not ordered by competent authority to be returned to any claimant, or disposed of as otherwise provided by law, shall be delivered by the agency, on order of the Administrator given within a reasonable time, to another agency that requests the property and that the Administrator believes should be given the property; or

(B) on order of the Administrator given within a reasonable time, shall be disposed of as otherwise provided by law.

(d) PROPERTY SUBJECT TO COURT PROCEEDING FOR FORFEITURE.—

(1) NOTIFICATION OF ADMINISTRATOR.—If a proceeding has begun for the forfeiture of any property by court decree, the agency that seized the property immediately shall notify the Administrator and at the same time may file with the Administrator a request for the property for its official use.

(2) APPLICATION FOR COURT ORDER TO DELIVER PROPERTY.—

(A) IN GENERAL.—Before entry of a decree, the Administrator shall apply to the court to order delivery of the property in accordance with this paragraph.

(B) DELIVERY TO SEIZING AGENCY.—If the agency that seized the property files a request for the property under paragraph (1), the Administrator shall apply to the court to order delivery of the property to the agency that seized the property.

(C) DELIVERY TO OTHER REQUESTING AGENCY.—If the agency that seized the property does not file a request for the property under paragraph (1) but another agency requests the property, the Administrator shall apply to the court to order delivery of the property to the requesting agency if the Administrator believes that the requesting agency should be given the property.

(D) DELIVERY TO SEIZING AGENCY FOR TEMPORARY HOLDING.—If application to the court cannot be made under subparagraph (B) or (C) and the Administrator believes the property may later become necessary to any agency for official use, the Administrator shall apply to the court to order delivery of the property to the agency that seized the property, to be retained in its custody. Within a reasonable time, the Administrator shall order the agency to—

(i) deliver the property to another agency that requests the property and that the Administrator believes should be given the property; or

(ii) dispose of the property as otherwise provided by law.

(3) FORFEITURE DECREED.—If forfeiture is decreed and the property is not ordered by competent authority to be returned to any claimant, the court shall order delivery as provided in paragraph (2).

(4) WHEN NO APPLICATION MADE.—The court shall dispose of property for which no application is made in accordance with law.

(e) RETENTION OR DELIVERY OF PROPERTY DEEMED SALE.—Retention or delivery of forfeited or abandoned property under this section is deemed to be a sale of the property for the purpose of laws providing for informer's fees or remission or mitigation of a forfeiture. Property acquired under this section when no longer needed for official use shall be disposed of in the same manner as other surplus property.

(f) PAYMENT OF COSTS RELATED TO PROPERTY.—

(1) AVAILABILITY OF APPROPRIATIONS.—The appropriation available to an agency for the purchase, hire, operation, maintenance, and repair of any property is available for—

(A) the payment of expenses of operation, maintenance, and repair of property of the same kind the agency receives under this section for official use;

(B) the payment of a lien recognized and allowed under law;

(C) the payment of amounts found to be due a person on the authorized remission or mitigation of a forfeiture; and

(D) reimbursement of other agencies as provided in paragraph (2).

(2) PAYMENT AND REIMBURSEMENT OF CERTAIN COSTS.—The agency that receives property under this section shall pay the cost of hauling, transporting, towing, and storing the property. If the property is later delivered to another agency for official use under this section, the agency to which the property is delivered shall make reimbursement for all of those costs incurred prior to the date the property is delivered.

(g) REPORT.—With the approval of the Secretary of the Treasury, the Administrator may require an agency to make a report of all property abandoned to it or seized and the disposal of the property.

(h) ADMINISTRATIVE.—

(1) REGULATIONS.—With the approval of the Secretary, the Administrator may prescribe regulations necessary to carry out this section.

(2) OTHER LAWS NOT REPEALED.—This section does not repeal any other laws relating to the disposition of forfeited or abandoned property, except provisions of those laws directly in conflict with this section which were enacted prior to August 27, 1935.

(3) PROPERTY NOT SUBJECT TO ALLOCATION UNDER THIS SECTION.—The following classes of property are not subject to allocation under this section, but shall be disposed of in the manner otherwise provided by law:

(A) narcotic drugs, as defined in the Controlled Substances Act (21 U.S.C. 801 et seq.).

(B) firearms, as defined in section 5845 of the Internal Revenue Code of 1986 (26 U.S.C. 5845).

(C) other classes or kinds of property the disposal of which the Administrator, with the approval of the Secretary, may consider in the public interest, and may by regulation provide.

§ 1307. Disposition of securities

The President, or an officer, agent, or agency the President may designate, may dispose of any securities acquired on behalf of the Federal Government under the provisions of the Transportation Act of 1920 (ch. 91, 41 Stat. 456), including any securities acquired as an incident to a case under title 11, under a receivership or reorganization proceeding, by assignment, transfer, substitution, or issuance, or by acquisition of collateral given for the payment of obligations to the Government, or may make arrangements for the extension of the maturity of the securities, in the manner, in amounts, at prices, for cash, securities, or other property or any combination of cash, securities, or other property, and on terms and conditions the President or designee considers advisable and in the public interest.

§ 1308. Disposition of unfit horses and mules

Subject to applicable regulations under this subtitle and title III of the Federal Property and Administrative Services Act of 1949 (41 U.S.C. 251 et seq.), horses and mules belonging to the Federal Government that have become unfit for service may be destroyed or put out to pasture, either on pastures belonging to the Government or those belonging to financially sound and reputable humane organizations whose facilities permit them to care for the horses and mules during the remainder of their natural lives, at no cost to the Government.

§ 1309. Preservation, sale, or collection of wrecked, abandoned, or derelict property

The Administrator of General Services may make contracts and provisions for the preservation, sale, or collection of property, or the proceeds of property, which may have been wrecked, been abandoned, or become derelict, if the Administrator considers the contracts and provisions to be in the interest of the Federal Government and the property is within the jurisdiction of the United States and should come to the Government. A contract may provide compensation the Administrator considers just and reasonable to any person who gives information about the property or actually preserves, collects, surrenders, or pays over the property. Under each specific agreement for obtaining, preserving, collecting, or receiving property or making property available, the costs or claim chargeable to the Government may not exceed amounts realized and received by the Government.

§ 1310. Sale of war supplies, land, and buildings

(a) IN GENERAL.—The President, through the head of any executive department and on terms the head of the department considers expedient, may sell to a person, another department of the Federal Government, or the government of a foreign country engaged in war against a country with which the United States is at war—

- (1) war supplies, material, and equipment;
- (2) by-products of the war supplies, material, and equipment;
- and
- (3) any building, plant, or factory, including the land on which the plant or factory may be situated, acquired since April 6, 1917, for the production of war supplies, materials, and equipment that, during the emergency existing on July

9, 1918, may have been purchased, acquired, or manufactured by the Government.

(b) **LIMITATION ON SALE OF GUNS AND AMMUNITION.**—Sales of guns and ammunition authorized under any law shall be limited to—

- (1) other departments of the Government;
- (2) governments of foreign countries engaged in war against a country with which the United States is at war; and
- (3) members of the National Rifle Association and of other recognized associations organized in the United States for the encouragement of small-arms target practice.

§ 1311. Authority of President to obtain release

For the use or benefit of the Federal Government, the President may obtain from an individual or officer to whom land has been or will be conveyed a release of the individual's or officer's interest to the Government.

§ 1312. Release of real estate in certain cases

(a) **IN GENERAL.**—Real estate that has become the property of the Federal Government in payment of a debt which afterward is fully paid in money and received by the Government may be conveyed by the Administrator of General Services to the debtor from whom it was taken or to the heirs or devisees of the debtor or the person that they may appoint.

(b) **NONAPPLICATION.**—This section does not apply to real estate the Government acquires in payment of any debt arising under the Internal Revenue Code of 1986 (26 U.S.C. 1 et seq.).

§ 1313. Releasing property from attachment

(a) **STIPULATION OF DISCHARGE.**—

(1) **PERSON ASSERTING CLAIM ENTITLED TO BENEFITS.**—In a judicial proceeding under the laws of a State, district, territory, or possession of the United States, when property owned or held by the Federal Government, or in which the Government has or claims an interest, is seized, arrested, attached, or held for the security or satisfaction of a claim made against the property, the Attorney General may direct the United States Attorney for the district in which the property is located to enter a stipulation that on discharge of the property from the seizure, arrest, attachment, or proceeding, the person asserting the claim against the property becomes entitled to all the benefits of this section.

(2) **NONAPPLICATION.**—This subsection does not—

(A) recognize or concede any right to enforce by seizure, arrest, attachment, or any judicial process a claim against property—

(i) of the Government; or

(ii) held, owned, or employed by the Government, or by a department of the Government, for a public use; or

(B) waive an objection to a proceeding brought to enforce the claim.

(b) **PAYMENT.**—After a discharge, a final judgment which affirms the claim for the security or satisfaction and the right of the person asserting the claim to enforce it against the property, notwithstanding the claims of the Government, is deemed to be a

full and final determination of the rights of the person and entitles the person, as against the Government, to the rights the person would have had if possession of the property had not been changed. When the claim is for the payment of money found to be due, presentation of an authenticated copy of the record of the judgment and proceedings is sufficient evidence to the proper accounting officers for the allowance of the claim, which shall be allowed and paid out of amounts in the Treasury not otherwise appropriated. The amount allowed and paid shall not exceed the value of the interest of the Government in the property.

§ 1314. Easements

(a) DEFINITIONS.—In this section—

(1) EXECUTIVE AGENCY.—The term “executive agency” means an executive department or independent establishment in the executive branch of the Federal Government, including a wholly owned Government corporation.

(C) land acquired for national forest purposes.

(3) STATE.—The term “State” means a State of the United States, the District of Columbia, Puerto Rico, and the territories and possessions of the United States.

(b) GRANT OF EASEMENT.—When a State, a political subdivision or agency of a State, or a person applies for the grant of an easement in, over, or on real property of the Government, the executive agency having control of the real property may grant to the applicant, on behalf of the Government, an easement that the head of the agency decides will not be adverse to the interests of the Government, subject to reservations, exceptions, limitations, benefits, burdens, terms, or conditions that the head of the agency considers necessary to protect the interests of the Government. The grant may be made without consideration, or with monetary or other consideration, including an interest in real property.

(c) RELINQUISHMENT OF LEGISLATIVE JURISDICTION.—In connection with the grant of an easement, the executive agency concerned may relinquish to the State in which the real property is located legislative jurisdiction that the executive agency considers necessary or desirable. Relinquishment of legislative jurisdiction may be accomplished by filing with the chief executive officer of the State a notice of relinquishment to take effect upon acceptance or by proceeding in the manner that the laws applicable to the State may provide.

(d) TERMINATION OF EASEMENT.—

(1) WHEN TERMINATION OCCURS.—The instrument granting the easement may provide for termination of any part of the easement if there has been—

(A) a failure to comply with a term or condition of the grant;

(B) a nonuse of the easement for a consecutive 2-year period for the purpose for which granted; or

(C) an abandonment of the easement.

(2) NOTICE REQUIRED.—If a termination provision is included, it shall require that written notice of the termination be given to the grantee, or its successors or assigns.

(3) EFFECTIVE DATE.—The termination is effective as of the date of the notice.

(e) ADDITIONAL EASEMENT AUTHORITY.—The authority conferred by this section is in addition to, and shall not affect or be subject to, any other law under which an executive agency may grant easements.

(f) LIMITATION ON ISSUANCE OF RIGHTS OF WAY.—Rights of way over, under, and through public lands and lands in the National Forest System may not be granted under this section.

§ 1315. Special police

(a) APPOINTMENT.—The Administrator of General Services, or an official of the General Services Administration authorized by the Administrator, may appoint uniformed guards of the Administration as special police without additional compensation for duty in connection with the policing of all buildings and areas owned or occupied by the Federal Government and under the charge and control of the Administrator.

(b) POWERS.—Special police appointed under this section have the same powers as sheriffs and constables on property referred to in subsection (a) to enforce laws enacted for the protection of individuals and property, prevent breaches of the peace, suppress affrays or unlawful assemblies, and enforce regulations prescribed by the Administrator or an official of the Administration authorized by the Administrator for property under their jurisdiction. However, the jurisdiction and policing powers of special police do not extend to the service of civil process.

(c) DETAIL.—On the application of the head of a department or agency of the Government having property of the Government under its administration and control, the Administrator or an official of the Administration authorized by the Administrator may detail special police for the protection of the property and, if the Administrator considers it desirable, may extend to the property the applicability of regulations and enforce them as provided in this section.

(d) USE OF OTHER LAW ENFORCEMENT AGENCIES.—When it is considered economical and in the public interest, the Administrator or an official of the Administration authorized by the Administrator may utilize the facilities and services of existing federal law enforcement agencies, and, with the consent of a state or local agency, the facilities and services of state or local law enforcement agencies.

(e) NONUNIFORMED SPECIAL POLICE.—The Administrator, or an official of the Administration authorized by the Administrator, may empower officials or employees of the Administration authorized to perform investigative functions to act as nonuniformed special

police to protect property under the charge and control of the Administration and to carry firearms, whether on federal property or in travel status. When on real property under the charge and control of the Administration, officials or employees empowered to act as nonuniformed special police have the power to enforce federal laws for the protection of individuals and property and to enforce regulations for that purpose that the Administrator or an official of the Administration authorized by the Administrator prescribes and publishes. The special police may make arrests without warrant for any offense committed on the property if the police have reasonable grounds to believe the offense constitutes a felony under the laws of the United States and that the individual to be arrested is guilty of that offense.

(f) ADMINISTRATIVE.—The Administrator or an official of the Administration authorized by the Administrator may prescribe regulations necessary for the government of the property under their charge and control, and may annex to the regulations reasonable penalties, within the limits prescribed in subsection (g), that will ensure their enforcement. The regulations shall be posted and kept posted in a conspicuous place on the property.

(g) PENALTIES.—

(1) IN GENERAL.—Except as provided in paragraph (2), a person violating a regulation prescribed under subsection (f) shall be fined under title 18, imprisoned for not more than 30 days, or both.

(2) EXCEPTION FOR MILITARY TRAFFIC REGULATION.—

(A) DEFINITION.—For purposes of this paragraph, the term “military traffic regulation” means a regulation for the control of vehicular or pedestrian traffic on military installations that the Secretary of Defense prescribes under subsection (f).

(B) IN GENERAL.—A person violating a military traffic regulation shall be fined an amount not exceeding the amount of the maximum fine for a similar offense under the criminal or civil law of the State, district, territory, or possession of the United States where the military installation in which the violation occurred is located, imprisoned for not more than 30 days, or both.

SUBCHAPTER I—OVERSIGHT AND REGULATION OF PUBLIC BUILDINGS

§ 3101. Public buildings under control of Administrator of General Services

All public buildings outside of the District of Columbia and outside of military reservations purchased or erected out of any appropriation under the control of the Administrator of General Services, and the sites of the public buildings, are under the exclusive jurisdiction and control, and in the custody of, the Administrator. The Administrator may take possession of the buildings and assign and reassign rooms in the buildings to federal officials, clerks, and employees that the Administrator believes should be furnished with offices or rooms in the buildings.

§ 3102. Naming or designating buildings

The Administrator of General Services may name or otherwise designate any building under the custody and control of the General Services Administration, regardless of whether it was previously named by statute.

§ 3103. Admission of guide dogs or other service animals accompanying individuals with disabilities

(a) IN GENERAL.—Guide dogs or other service animals accompanying individuals with disabilities and especially trained and educated for that purpose shall be admitted to any building or other property owned or controlled by the Federal Government on the same terms and conditions, and subject to the same regulations, as generally govern the admission of the public to the property. The animals are not permitted to run free or roam in a building or on the property and must be in guiding harness or on leash and under the control of the individual at all times while in a building or on the property.

(b) REGULATIONS.—The head of each department or other agency of the Government may prescribe regulations the individual considers necessary in the public interest to carry out this section as it applies to any building or other property subject to the individual's jurisdiction.

§ 3104. Furniture for new buildings

Furniture for all new public buildings shall be acquired in accordance with plans and specifications approved by the Administrator of General Services.

§ 3105. Buildings not to be draped in mourning

No building owned, or used for public purposes, by the Federal Government shall be draped in mourning nor may public money be used for that purpose.

SUBCHAPTER II—ACQUIRING LAND

§ 3111. Approval of sufficiency of title prior to acquisition

(a) APPROVAL OF ATTORNEY GENERAL REQUIRED.—Public money may not be expended to purchase land or any interest in land unless the Attorney General gives prior written approval of the sufficiency of the title to the land for the purpose for which the Federal Government is acquiring the property.

(b) DELEGATION.—

(1) IN GENERAL.—The Attorney General may delegate the responsibility under this section to other departments and agencies of the Government, subject to general supervision by the Attorney General and in accordance with regulations the Attorney General prescribes.

(2) REQUEST FOR OPINION OF ATTORNEY GENERAL.—A department or agency of the Government that has been delegated the responsibility to approve land titles under this section may request the Attorney General to render an opinion as to the validity of the title to any real property or interest in the property, or may request the advice or assistance of the Attorney General in connection with determinations as to the sufficiency of titles.

(c) PAYMENT OF EXPENSES FOR PROCURING CERTIFICATES OF TITLE.—Except where otherwise authorized by law or provided by contract, the expenses of procuring certificates of titles or other evidences of title as the Attorney General may require may be paid out of the appropriations for the acquisition of land or out of the appropriations made for the contingencies of the acquiring department or agency of the Government.

(d) NONAPPLICATION.—This section does not affect any provision of law in effect on September 1, 1970, that is applicable to the acquisition of land or interests in land by the Tennessee Valley Authority.

§ 3112. Federal jurisdiction

(a) EXCLUSIVE JURISDICTION NOT REQUIRED.—It is not required that the Federal Government obtain exclusive jurisdiction in the United States over land or an interest in land it acquires.

(b) ACQUISITION AND ACCEPTANCE OF JURISDICTION.—When the head of a department, agency, or independent establishment of the Government, or other authorized officer of the department, agency, or independent establishment, considers it desirable, that individual may accept or secure, from the State in which land or an interest in land that is under the immediate jurisdiction, custody, or control of the individual is situated, consent to, or cession of, any jurisdiction over the land or interest not previously obtained. The individual shall indicate acceptance of jurisdiction on behalf of the Government by filing a notice of acceptance with the Governor of the State or in another manner prescribed by the laws of the State where the land is situated.

(c) PRESUMPTION.—It is conclusively presumed that jurisdiction has not been accepted until the Government accepts jurisdiction over land as provided in this section.

§ 3113. Acquisition by condemnation

An officer of the Federal Government authorized to acquire real estate for the erection of a public building or for other public

uses may acquire the real estate for the Government by condemnation, under judicial process, when the officer believes that it is necessary or advantageous to the Government to do so. The Attorney General, on application of the officer, shall have condemnation proceedings begun within 30 days from receipt of the application at the Department of Justice.

§ 3114. Declaration of taking

(a) **FILING AND CONTENT.**—In any proceeding in any court of the United States outside of the District of Columbia brought by and in the name of the United States and under the authority of the Federal Government to acquire land, or an easement or right of way in land, for the public use, the petitioner may file, with the petition or at any time before judgment, a declaration of taking signed by the authority empowered by law to acquire the land described in the petition, declaring that the land is taken for the use of the Government. The declaration of taking shall contain or have annexed to it—

- (1) a statement of the authority under which, and the public use for which, the land is taken;
- (2) a description of the land taken that is sufficient to identify the land;
- (3) a statement of the estate or interest in the land taken for public use;
- (4) a plan showing the land taken; and
- (5) a statement of the amount of money estimated by the acquiring authority to be just compensation for the land taken.

(b) **VESTING OF TITLE.**—On filing the declaration of taking and depositing in the court, to the use of the persons entitled to the compensation, the amount of the estimated compensation stated in the declaration—

- (1) title to the estate or interest specified in the declaration vests in the Government;
- (2) the land is condemned and taken for the use of the Government; and
- (3) the right to just compensation for the land vests in the persons entitled to the compensation.

(c) **COMPENSATION.**—

(1) **DETERMINATION AND AWARD.**—Compensation shall be determined and awarded in the proceeding and established by judgment. The judgment shall include interest, in accordance with section 3116 of this title, on the amount finally awarded as the value of the property as of the date of taking and shall be awarded from that date to the date of payment. Interest shall not be allowed on as much of the compensation as has been paid into the court. Amounts paid into the court shall not be charged with commissions or poundage.

(2) **ORDER TO PAY.**—On application of the parties in interest, the court may order that any part of the money deposited in the court be paid immediately for or on account of the compensation to be awarded in the proceeding.

(3) **DEFICIENCY JUDGMENT.**—If the compensation finally awarded is more than the amount of money received by any person entitled to compensation, the court shall enter judgment against the Government for the amount of the deficiency.

(d) **AUTHORITY OF COURT.**—On the filing of a declaration of taking, the court—

(1) may fix the time within which, and the terms on which, the parties in possession shall be required to surrender possession to the petitioner; and

(2) may make just and equitable orders in respect of encumbrances, liens, rents, taxes, assessments, insurance, and other charges.

(e) VESTING NOT PREVENTED OR DELAYED.—An appeal or a bond or undertaking given in a proceeding does not prevent or delay the vesting of title to land in the Government.

§ 3115. Irrevocable commitment of Federal Government to pay ultimate award when fixed

(a) REQUIREMENT FOR IRREVOCABLE COMMITMENT.—Action under section 3114 of this title irrevocably committing the Federal Government to the payment of the ultimate award shall not be taken unless the head of the executive department or agency or bureau of the Government empowered to acquire the land believes that the ultimate award probably will be within any limits Congress prescribes on the price to be paid.

(b) AUTHORIZED PURPOSES OF EXPENDITURES AFTER IRREVOCABLE COMMITMENT MADE.—When the Government has taken or may take title to real property during a condemnation proceeding and in advance of final judgment in the proceeding and has become irrevocably committed to pay the amount ultimately to be awarded as compensation, and the Attorney General believes that title to the property has been vested in the Government or that all persons having an interest in the property have been made parties to the proceeding and will be bound by the final judgment, the Government may expend amounts appropriated for that purpose to demolish existing structures on the property and to erect public buildings or public works on the property.

§ 3116. Interest as part of just compensation

(a) CALCULATION.—The district court shall calculate interest required to be paid under this subchapter as follows:

(1) PERIOD OF NOT MORE THAN ONE YEAR.—Where the period for which interest is owed is not more than one year, interest shall be calculated from the date of taking at an annual rate equal to the weekly average one-year constant maturity Treasury yield, as published by the Board of Governors of the Federal Reserve System, for the calendar week preceding the date of taking.

(2) PERIOD OF MORE THAN ONE YEAR.—Where the period for which interest is owed is more than one year, interest for the first year shall be calculated in accordance with paragraph (1) and interest for each additional year shall be calculated on the amount by which the award of compensation is more than the deposit referred to in section 3114 of this title, plus accrued interest, at an annual rate equal to the weekly average one-year constant maturity Treasury yield, as published by the Board of Governors of the Federal Reserve System, for the calendar week preceding the beginning of each additional year.

(b) DISTRIBUTION OF NOTICE OF RATES.—The Director of the Administrative Office of the United States Courts shall distribute to all federal courts notice of the rates described in paragraphs (1) and (2) of subsection (a).

§ 3117. Exclusion of certain property by stipulation of Attorney General

In any condemnation proceeding brought by or on behalf of the Federal Government, the Attorney General may stipulate or agree on behalf of the Government to exclude any part of the property, or any interest in the property, taken by or on behalf of the Government by a declaration of taking or otherwise.

§ 3118. Right of taking as addition to existing rights

The right to take possession and title in advance of final judgment in condemnation proceedings as provided by section 3114 of this title is in addition to any right, power, or authority conferred by the laws of the United States or of a State, territory, or possession of the United States under which the proceeding may be conducted, and does not abrogate, limit, or modify that right, power, or authority.

SUBCHAPTER III—BONDS

§ 3131. Bonds of contractors of public buildings or works

(a) DEFINITION.—In this subchapter, the term “contractor” means a person awarded a contract described in subsection (b).

(b) TYPE OF BONDS REQUIRED.—Before any contract of more than \$100,000 is awarded for the construction, alteration, or repair of any public building or public work of the Federal Government, a person must furnish to the Government the following bonds, which become binding when the contract is awarded:

(1) PERFORMANCE BOND.—A performance bond with a surety satisfactory to the officer awarding the contract, and in an amount the officer considers adequate, for the protection of the Government.

(2) PAYMENT BOND.—A payment bond with a surety satisfactory to the officer for the protection of all persons supplying labor and material in carrying out the work provided for in the contract for the use of each person. The amount of the payment bond shall equal the total amount payable by the terms of the contract unless the officer awarding the contract determines, in a writing supported by specific findings, that a payment bond in that amount is impractical, in which case the contracting officer shall set the amount of the payment bond. The amount of the payment bond shall not be less than the amount of the performance bond.

(c) COVERAGE FOR TAXES IN PERFORMANCE BOND.—

(1) IN GENERAL.—Every performance bond required under this section specifically shall provide coverage for taxes the Government imposes which are collected, deducted, or withheld from wages the contractor pays in carrying out the contract with respect to which the bond is furnished.

(2) NOTICE.—The Government shall give the surety on the bond written notice, with respect to any unpaid taxes attributable to any period, within 90 days after the date when the contractor files a return for the period, except that notice must be given no later than 180 days from the date when a return for the period was required to be filed under the Internal Revenue Code of 1986 (26 U.S.C. 1 et seq.).

(3) CIVIL ACTION.—The Government may not bring a civil action on the bond for the taxes—

(A) unless notice is given as provided in this subsection;
and

(B) more than one year after the day on which notice
is given.

(d) **WAIVER OF BONDS FOR CONTRACTS PERFORMED IN FOREIGN COUNTRIES.**—A contracting officer may waive the requirement of a performance bond and payment bond for work under a contract that is to be performed in a foreign country if the officer finds that it is impracticable for the contractor to furnish the bonds.

(e) **AUTHORITY TO REQUIRE ADDITIONAL BONDS.**—This section does not limit the authority of a contracting officer to require a performance bond or other security in addition to those, or in cases other than the cases, specified in subsection (b).

§ 3132. Alternatives to payment bonds provided by Federal Acquisition Regulation

(a) **IN GENERAL.**—The Federal Acquisition Regulation shall provide alternatives to payment bonds as payment protections for suppliers of labor and materials under contracts referred to in section 3131(a) of this title that are more than \$25,000 and not more than \$100,000.

(b) **RESPONSIBILITIES OF CONTRACTING OFFICER.**—The contracting officer for a contract shall—

(1) select, from among the payment protections provided for in the Federal Acquisition Regulation pursuant to subsection (a), one or more payment protections which the offeror awarded the contract is to submit to the Federal Government for the protection of suppliers of labor and materials for the contract; and

(2) specify in the solicitation of offers for the contract the payment protections selected.

§ 3133. Rights of persons furnishing labor or material

(a) **RIGHT OF PERSON FURNISHING LABOR OR MATERIAL TO COPY OF BOND.**—The department secretary or agency head of the contracting agency shall furnish a certified copy of a payment bond and the contract for which it was given to any person applying for a copy who submits an affidavit that the person has supplied labor or material for work described in the contract and payment for the work has not been made or that the person is being sued on the bond. The copy is prima facie evidence of the contents, execution, and delivery of the original. Applicants shall pay any fees the department secretary or agency head of the contracting agency fixes to cover the cost of preparing the certified copy.

(b) **RIGHT TO BRING A CIVIL ACTION.**—

(1) **IN GENERAL.**—Every person that has furnished labor or material in carrying out work provided for in a contract for which a payment bond is furnished under section 3131 of this title and that has not been paid in full within 90 days after the day on which the person did or performed the last of the labor or furnished or supplied the material for which the claim is made may bring a civil action on the payment bond for the amount unpaid at the time the civil action is brought and may prosecute the action to final execution and judgment for the amount due.

(2) PERSON HAVING DIRECT CONTRACTUAL RELATIONSHIP WITH A SUBCONTRACTOR.—A person having a direct contractual relationship with a subcontractor but no contractual relationship, express or implied, with the contractor furnishing the payment bond may bring a civil action on the payment bond on giving written notice to the contractor within 90 days from the date on which the person did or performed the last of the labor or furnished or supplied the last of the material for which the claim is made. The action must state with substantial accuracy the amount claimed and the name of the party to whom the material was furnished or supplied or for whom the labor was done or performed. The notice shall be served—

(A) by any means that provides written, third-party verification of delivery to the contractor at any place the contractor maintains an office or conducts business or at the contractor's residence; or

(B) in any manner in which the United States marshal of the district in which the public improvement is situated by law may serve summons.

(3) VENUE.—A civil action brought under this subsection must be brought—

(A) in the name of the United States for the use of the person bringing the action; and

(B) in the United States District Court for any district in which the contract was to be performed and executed, regardless of the amount in controversy.

(4) PERIOD IN WHICH ACTION MUST BE BROUGHT.—An action brought under this subsection must be brought no later than one year after the day on which the last of the labor was performed or material was supplied by the person bringing the action.

(5) LIABILITY OF FEDERAL GOVERNMENT.—The Government is not liable for the payment of any costs or expenses of any civil action brought under this subsection.

(c) A waiver of the right to bring a civil action on a payment bond required under this subchapter is void unless the waiver is—

(1) in writing;

(2) signed by the person whose right is waived; and

(3) executed after the person whose right is waived has furnished labor or material for use in the performance of the contract.

§ 3134. Waivers for certain contracts

(a) MILITARY.—The Secretary of the Army, the Secretary of the Navy, the Secretary of the Air Force, or the Secretary of Transportation may waive this subchapter with respect to cost-plus-a-fixed fee and other cost-type contracts for the construction, alteration, or repair of any public building or public work of the Federal Government and with respect to contracts for manufacturing, producing, furnishing, constructing, altering, repairing, processing, or assembling vessels, aircraft, munitions, materiel, or supplies for the Army, Navy, Air Force, or Coast Guard, respectively, regardless of the terms of the contracts as to payment or title.

(b) TRANSPORTATION.—The Secretary of Transportation may waive this subchapter with respect to contracts for the construction, alteration, or repair of vessels when the contract is made under

sections 1535 and 1536 of title 31, the Merchant Marine Act, 1936 (46 App. U.S.C. 1101 et seq.), or the Merchant Ship Sales Act of 1946 (50 App. U.S.C. 1735 et seq.), regardless of the terms of the contracts as to payment or title.

SUBCHAPTER IV—WAGE RATE REQUIREMENTS

§ 3141. Definitions

In this subchapter, the following definitions apply:

(1) **FEDERAL GOVERNMENT.**—The term “Federal Government” has the same meaning that the term “United States” had in the Act of March 3, 1931 (ch. 411, 46 Stat. 1494 (known as the Davis-Bacon Act)).

(2) **WAGES, SCALE OF WAGES, WAGE RATES, MINIMUM WAGES, AND PREVAILING WAGES.**—The terms “wages”, “scale of wages”, “wage rates”, “minimum wages”, and “prevailing wages” include—

(A) the basic hourly rate of pay; and

(B) for medical or hospital care, pensions on retirement or death, compensation for injuries or illness resulting from occupational activity, or insurance to provide any of the foregoing, for unemployment benefits, life insurance, disability and sickness insurance, or accident insurance, for vacation and holiday pay, for defraying the costs of apprenticeship or other similar programs, or for other bona fide fringe benefits, but only where the contractor or subcontractor is not required by other federal, state, or local law to provide any of those benefits, the amount of—

(i) the rate of contribution irrevocably made by a contractor or subcontractor to a trustee or to a third person under a fund, plan, or program; and

(ii) the rate of costs to the contractor or subcontractor that may be reasonably anticipated in providing benefits to laborers and mechanics pursuant to an enforceable commitment to carry out a financially responsible plan or program which was communicated in writing to the laborers and mechanics affected.

§ 3142. Rate of wages for laborers and mechanics

(a) **APPLICATION.**—The advertised specifications for every contract in excess of \$2,000, to which the Federal Government or the District of Columbia is a party, for construction, alteration, or repair, including painting and decorating, of public buildings and public works of the Government or the District of Columbia that are located in a State or the District of Columbia and which requires or involves the employment of mechanics or laborers shall contain a provision stating the minimum wages to be paid various classes of laborers and mechanics.

(b) **BASED ON PREVAILING WAGE.**—The minimum wages shall be based on the wages the Secretary of Labor determines to be prevailing for the corresponding classes of laborers and mechanics employed on projects of a character similar to the contract work in the civil subdivision of the State in which the work is to be performed, or in the District of Columbia if the work is to be performed there.

(c) **STIPULATIONS REQUIRED IN CONTRACT.**—Every contract based upon the specifications referred to in subsection (a) must contain stipulations that—

(1) the contractor or subcontractor shall pay all mechanics and laborers employed directly on the site of the work, unconditionally and at least once a week, and without subsequent deduction or rebate on any account, the full amounts accrued at time of payment, computed at wage rates not less than those stated in the advertised specifications, regardless of any contractual relationship which may be alleged to exist between the contractor or subcontractor and the laborers and mechanics;

(2) the contractor will post the scale of wages to be paid in a prominent and easily accessible place at the site of the work; and

(3) there may be withheld from the contractor so much of accrued payments as the contracting officer considers necessary to pay to laborers and mechanics employed by the contractor or any subcontractor on the work the difference between the rates of wages required by the contract to be paid laborers and mechanics on the work and the rates of wages received by the laborers and mechanics and not refunded to the contractor or subcontractors or their agents.

(d) **DISCHARGE OF OBLIGATION.**—The obligation of a contractor or subcontractor to make payment in accordance with the prevailing wage determinations of the Secretary of Labor, under this subchapter and other laws incorporating this subchapter by reference, may be discharged by making payments in cash, by making contributions described in section 3141(2)(B)(i) of this title, by assuming an enforceable commitment to bear the costs of a plan or program referred to in section 3141(2)(B)(ii) of this title, or by any combination of payment, contribution, and assumption, where the aggregate of the payments, contributions, and costs is not less than the basic hourly rate of pay plus the amount referred to in section 3141(2)(B).

(e) **OVERTIME PAY.**—In determining the overtime pay to which a laborer or mechanic is entitled under any federal law, the regular or basic hourly rate of pay (or other alternative rate on which premium rate of overtime compensation is computed) of the laborer or mechanic is deemed to be the rate computed under section 3141(2)(A) of this title, except that where the amount of payments, contributions, or costs incurred with respect to the laborer or mechanic exceeds the applicable prevailing wage, the regular or basic hourly rate of pay (or other alternative rate) is the amount of payments, contributions, or costs actually incurred with respect to the laborer or mechanic minus the greater of the amount of contributions or costs of the types described in section 3141(2)(B) of this title actually incurred with respect to the laborer or mechanic or the amount determined under section 3141(2)(B) but not actually paid.

§ 3143. Termination of work on failure to pay agreed wages

Every contract within the scope of this subchapter shall contain a provision that if the contracting officer finds that any laborer or mechanic employed by the contractor or any subcontractor directly on the site of the work covered by the contract has been or is being paid a rate of wages less than the rate of wages required by the contract to be paid, the Federal Government by

written notice to the contractor may terminate the contractor's right to proceed with the work or the part of the work as to which there has been a failure to pay the required wages. The Government may have the work completed, by contract or otherwise, and the contractor and the contractor's sureties shall be liable to the Government for any excess costs the Government incurs.

§ 3144. Authority of Comptroller General to pay wages and list contractors violating contracts

(a) PAYMENT OF WAGES.—

(1) IN GENERAL.—The Comptroller General shall pay directly to laborers and mechanics from any accrued payments withheld under the terms of a contract any wages found to be due laborers and mechanics under this subchapter.

(2) RIGHT OF ACTION.—If the accrued payments withheld under the terms of the contract are insufficient to reimburse all the laborers and mechanics who have not been paid the wages required under this subchapter, the laborers and mechanics have the same right to bring a civil action and intervene against the contractor and the contractor's sureties as is conferred by law on persons furnishing labor or materials. In those proceedings it is not a defense that the laborers and mechanics accepted or agreed to accept less than the required rate of wages or voluntarily made refunds.

(b) LIST OF CONTRACTORS VIOLATING CONTRACTS.—

(1) IN GENERAL.—The Comptroller General shall distribute to all departments of the Federal Government a list of the names of persons whom the Comptroller General has found to have disregarded their obligations to employees and sub-contractors.

(2) RESTRICTION ON AWARDING CONTRACTS.—No contract shall be awarded to persons appearing on the list or to any firm, corporation, partnership, or association in which the persons have an interest until three years have elapsed from the date of publication of the list.

§ 3145. Regulations governing contractors and subcontractors

(a) IN GENERAL.—The Secretary of Labor shall prescribe reasonable regulations for contractors and subcontractors engaged in constructing, carrying out, completing, or repairing public buildings, public works, or buildings or works that at least partly are financed by a loan or grant from the Federal Government. The regulations shall include a provision that each contractor and subcontractor each week must furnish a statement on the wages paid each employee during the prior week.

(b) APPLICATION.—Section 1001 of title 18 applies to the statements.

§ 3146. Effect on other federal laws

This subchapter does not supersede or impair any authority otherwise granted by federal law to provide for the establishment of specific wage rates.

§ 3147. Suspension of this subchapter during a national emergency

The President may suspend the provisions of this subchapter during a national emergency.

§ 3148. Application of this subchapter to certain contracts

This subchapter applies to a contract authorized by law that is made without regard to section 3709 of the Revised Statutes (41 U.S.C. 5), or on a cost-plus-a-fixed-fee basis or otherwise without advertising for proposals, if this subchapter otherwise would apply to the contract.

SUBCHAPTER V—VOLUNTEER SERVICES

§ 3161. Purpose

It is the purpose of this subchapter to promote and provide opportunities for individuals who wish to volunteer their services to state or local governments, public agencies, or nonprofit charitable organizations in the construction, repair, or alteration (including painting and decorating) of public buildings and public works that at least partly are financed with federal financial assistance authorized under certain federal programs and that otherwise might not be possible without the use of volunteers.

§ 3162. Waiver for individuals who perform volunteer services

(a) CRITERIA FOR RECEIVING WAIVER.—The requirement that certain laborers and mechanics be paid in accordance with the wage-setting provisions of subchapter IV of this chapter as set forth in the Indian Self-Determination and Education Assistance Act (25 U.S.C. 450 et seq.), the Indian Health Care Improvement Act (25 U.S.C. 1601 et seq.), and the Housing and Community Development Act of 1974 (42 U.S.C. 5301 et seq.) does not apply to an individual—

(1) who volunteers to perform a service directly to a state or local government, a public agency, or a public or private nonprofit recipient of federal assistance—

(A) for civic, charitable, or humanitarian reasons;

(B) only for the personal purpose or pleasure of the individual;

(C) without promise, expectation, or receipt of compensation for services rendered, except as provided in subsection (b); and

(D) freely and without pressure or coercion, direct or implied, from any employer;

(2) whose contribution of service is not for the direct or indirect benefit of any contractor otherwise performing or seeking to perform work on the same project for which the individual is volunteering;

(3) who is not employed by and does not provide services to a contractor or subcontractor at any time on the federally assisted or insured project for which the individual is volunteering; and

(4) who otherwise is not employed by the same public agency or recipient of federal assistance to perform the same type of services as those for which the individual proposes to volunteer.

(b) PAYMENTS.—

(1) IN ACCORDANCE WITH REGULATIONS.—Volunteers described in subsection (a) who are performing services directly to a state or local government or public agency may receive payments of expenses, reasonable benefits, or a nominal fee only in accordance with regulations the Secretary of Labor prescribes. Volunteers who are performing services directly to a public or private nonprofit entity may not receive those payments.

(2) CRITERIA AND CONTENT OF REGULATIONS.—In prescribing the regulations, the Secretary shall consider criteria such as the total amount of payments made (relating to expenses, benefits, or fees) in the context of the economic realities. The regulations shall include provisions that provide that—

(A) a payment for an expense may be received by a volunteer for items such as uniform allowances, protective gear and clothing, reimbursement for approximate out-of-pocket expenses, or the cost or expense of meals and transportation;

(B) a reasonable benefit may include the inclusion of a volunteer in a group insurance plan (such as a liability, health, life, disability, or worker's compensation plan) or pension plan, or the awarding of a length of service award; and

(C) a nominal fee may not be used as a substitute for compensation and may not be connected to productivity.

(3) NOMINAL FEE.—The Secretary shall decide what constitutes a nominal fee for purposes of paragraph (2)(C). The decision shall be based on the context of the economic realities of the situation involved.

(c) ECONOMIC REALITY.—In determining whether an expense, benefit, or fee described in subsection (b) may be paid to volunteers in the context of the economic realities of the particular situation, the Secretary may not permit any expense, benefit, or fee that has the effect of undermining labor standards by creating downward pressure on prevailing wages in the local construction industry.

SUBCHAPTER VI—MISCELLANEOUS

Unless specifically directed otherwise, the Administrator of General Services may make a contract within the full limit of the cost fixed by Congress for the acquisition of land for sites, or for the enlargement of sites, for public buildings, or for the erection, remodeling, extension, alteration, and repairs of public buildings, even though an appropriation is made for only part of the amount necessary to carry out legislation authorizing that purpose.

§ 3172. Extension of state workers' compensation laws to buildings, works, and property of the Federal Government

(a) AUTHORIZATION OF EXTENSION.—The state authority charged with enforcing and requiring compliance with the state workers' compensation laws and with the orders, decisions, and awards of the authority may apply the laws to all land and premises in the State which the Federal Government owns or holds by

deed or act of cession, and to all projects, buildings, constructions, improvements, and property in the State and belonging to the Government, in the same way and to the same extent as if the premises were under the exclusive jurisdiction of the State in which the land, premises, projects, buildings, constructions, improvements, or property are located.

(c) **DEPOSIT OF EXCESS AMOUNTS IN THE TREASURY.**—At the close of each fiscal year any excess amount resulting from operation of the service, after adequately providing for the replacement of mechanical and other equipment and for accrued annual leave of employees engaged in this work by the establishment of reserves for those purposes, shall be deposited in the Treasury as miscellaneous receipts.

§ 3174. Operation of public utility communications services serving governmental activities

The Administrator of General Services may provide and operate public utility communications services serving any governmental activity when the services are economical and in the interest of the Federal Government. The increase authorized by this subsection may not exceed 10 percent of the estimated maximum cost.

(d) RESCISSION OF APPROVAL.—If an appropriation is not made within one year after the date a project for construction, alteration, or acquisition is approved under subsection (a), the Committee on Environment and Public Works of the Senate or the Committee on Transportation and Infrastructure of the House of Representatives by resolution may rescind its approval before an appropriation is made.

(e) EMERGENCY LEASES BY THE ADMINISTRATOR.—This section does not prevent the Administrator from entering into emergency leases during any period declared by the President to require emergency leasing authority. When the Administrator of General Services considers it desirable, the Administrator may assign to a State or a territory or possession of the United States any part of the authority of the Federal Government to administer criminal laws and health and safety laws with respect to land or an interest in land under the control of the Administrator and located in the State, territory, or possession. Assignment of authority under this section may be accomplished by filing with the chief executive officer of the State, territory, or possession a notice of assignment to take effect on acceptance, or in another manner as may be prescribed by the laws of the State, territory, or possession in which the land or interest is located.

(b) BUILDING CODES.—Each building constructed or altered by the General Services Administration or any other federal agency shall be constructed or altered, to the maximum extent feasible as determined by the Administrator or the head of the federal agency, in compliance with one of the nationally recognized model building codes and with other applicable nationally recognized codes, including electrical codes, fire and life safety codes, and plumbing codes, as the Administrator decides is appropriate. In carrying out this subsection, the Administrator or the head of the federal agency shall use the latest edition of the nationally recognized codes.

(c) ZONING LAWS.—Each building constructed or altered by the Administration or any other federal agency shall be constructed or altered only after consideration of all requirements (except procedural requirements) of the following laws of a State or a political subdivision of a State, which would apply to the building if it were not a building constructed or altered by a federal agency:

(1) Zoning laws.

(2) Laws relating to landscaping, open space, minimum distance of a building from the property line, maximum height of a building, historic preservation, esthetic qualities of a building, and other similar laws.

§ 3701. Definition and application

(a) DEFINITION.—In this chapter, the term “Federal Government” has the same meaning that the term “United States” had in the Contract Work Hours and Safety Standards Act (Public Law 87–581, 76 Stat. 357).

(b) APPLICATION.—

(1) CONTRACTS.—This chapter applies to—

(A) any contract that may require or involve the employment of laborers or mechanics on a public work of the Federal Government, a territory of the United States, or the District of Columbia; and

(iii) a contract in an amount that is not greater than \$100,000.

(B) SECTION 3902.—Section 3902 of this title does not apply to work where the assistance described in subsection (a)(2)(C) from the Government or an agency or instrumentality is only a loan guarantee or insurance.

§ 3702. Work hours

(a) STANDARD WORKWEEK.—The wages of every laborer and mechanic employed by any contractor or subcontractor in the performance of work on a contract described in section 3701 of this title shall be computed on the basis of a standard workweek of 40 hours. Work in excess of the standard workweek is permitted

subject to this section. For each workweek in which the laborer or mechanic is so employed, wages include compensation, at a rate not less than one and one-half times the basic rate of pay, for all hours worked in excess of 40 hours in the workweek.

(b) **CONTRACT REQUIREMENTS.**—A contract described in section 3701 of this title, and any obligation of the Federal Government, a territory of the United States, or the District of Columbia in connection with that contract, must provide that—

(1) a contractor or subcontractor contracting for any part of the contract work which may require or involve the employment of laborers or mechanics shall not require or permit any laborer or mechanic, in any workweek in which the laborer or mechanic is employed on that work, to work more than 40 hours in that workweek, except as provided in this chapter; and

(2) when a violation of clause (1) occurs, the contractor and any subcontractor responsible for the violation are liable—

(A) to the affected employee for the employee's unpaid wages; and

(B) to the Government, the District of Columbia, or a territory for liquidated damages as provided in the contract.

(c) **LIQUIDATED DAMAGES.**—Liquidated damages under subsection (b)(2)(B) shall be computed for each individual employed as a laborer or mechanic in violation of this chapter and shall be equal to \$10 for each calendar day on which the individual was required or permitted to work in excess of the standard workweek without payment of the overtime wages required by this chapter.

(d) **AMOUNTS WITHHELD TO SATISFY LIABILITIES.**—Subject to section 3703 of this title, the governmental agency for which the contract work is done or which is providing financial assistance for the work may withhold, or have withheld, from money payable because of work performed by a contractor or subcontractor, amounts administratively determined to be necessary to satisfy the liabilities of the contractor or subcontractor for unpaid wages and liquidated damages as provided in this section.

§ 3703. Report of violations and withholding of amounts for unpaid wages and liquidated damages

(a) **REPORTS OF INSPECTORS.**—An officer or individual designated as an inspector of the work to be performed under a contract described in section 3701 of this title, or to aid in the enforcement or fulfillment of the contract, on observation or after investigation immediately shall report to the proper officer of the Federal Government, a territory of the United States, or the District of Columbia all violations of this chapter occurring in the performance of the work, together with the name of each laborer or mechanic who was required or permitted to work in violation of this chapter and the day the violation occurred.

(b) **WITHHOLDING AMOUNTS.**—

(1) **DETERMINING AMOUNT.**—The amount of unpaid wages and liquidated damages owing under this chapter shall be determined administratively.

(2) **AMOUNT DIRECTED TO BE WITHHELD.**—The officer or individual whose duty it is to approve the payment of money by the Government, territory, or District of Columbia in connection with the performance of the contract work shall direct the amount of—

(A) liquidated damages to be withheld for the use and benefit of the Government, territory, or District; and

(B) unpaid wages to be withheld for the use and benefit of the laborers and mechanics who were not compensated as required under this chapter.

(3) PAYMENT.—The Comptroller General shall pay the amount administratively determined to be due directly to the laborers and mechanics from amounts withheld on account of underpayments of wages if the amount withheld is adequate. If the amount withheld is not adequate, the Comptroller General shall pay an equitable proportion of the amount due.

(c) RIGHT OF ACTION AND INTERVENTION AGAINST CONTRACTORS AND SURETIES.—If the accrued payments withheld under the terms of the contract are insufficient to reimburse all the laborers and mechanics who have not been paid the wages required under this chapter, the laborers and mechanics, in the case of a department or agency of the Government, have the same right of action and intervention against the contractor and the contractor's sureties as is conferred by law on persons furnishing labor or materials. In those proceedings it is not a defense that the laborers and mechanics accepted or agreed to accept less than the required rate of wages or voluntarily made refunds.

(d) REVIEW PROCESS.—

(1) TIME LIMIT FOR APPEAL.—Within 60 days after an amount is withheld as liquidated damages, any contractor or subcontractor aggrieved by the withholding may appeal to the head of the agency of the Government or territory for which the contract work is done or which is providing financial assistance for the work, or to the Mayor of the District of Columbia in the case of liquidated damages withheld for the use and benefit of the District.

(2) REVIEW BY AGENCY HEAD OR MAYOR.—The agency head or Mayor may review the administrative determination of liquidated damages. The agency head or Mayor may issue a final order affirming the determination or may recommend to the Secretary of Labor that an appropriate adjustment in liquidated damages be made, or that the contractor or subcontractor be relieved of liability for the liquidated damages, if it is found that the amount is incorrect or that the contractor or subcontractor violated this chapter inadvertently, notwithstanding the exercise of due care by the contractor or subcontractor and the agents of the contractor or subcontractor.

(3) REVIEW BY SECRETARY.—The Secretary shall review all pertinent facts in the matter and may conduct any investigation the Secretary considers necessary in order to affirm or reject the recommendation. The decision of the Secretary is final.

(4) JUDICIAL ACTION.—A contractor or subcontractor aggrieved by a final order for the withholding of liquidated damages may file a claim in the United States Court of Federal Claims within 60 days after the final order. A final order of the agency head, Mayor, or Secretary is conclusive with respect to findings of fact if supported by substantial evidence.

(e) APPLICABILITY OF OTHER LAWS.—

(1) REORGANIZATION PLAN.—Reorganization Plan Numbered 14 of 1950 (eff. May 24, 1950, 64 Stat. 1267) applies to this chapter.

(2) SECTION 3145.—Section 3145 of this title applies to contractors and subcontractors referred to in section 3145 who are engaged in the performance of contracts subject to this chapter.

§ 3704. Health and safety standards in building trades and construction industry

(a) CONDITION OF CONTRACTS.—

(1) IN GENERAL.—Each contract in an amount greater than \$100,000 that is entered into under legislation subject to Reorganization Plan Numbered 14 of 1950 (eff. May 24, 1950, 64 Stat. 1267) and is for construction, alteration, and repair, including painting and decorating, must provide that no contractor or subcontractor contracting for any part of the contract work shall require any laborer or mechanic employed in the performance of the contract to work in surroundings or under working conditions that are unsanitary, hazardous, or dangerous to health or safety, as established under construction safety and health standards the Secretary of Labor prescribes by regulation based on proceedings pursuant to section 553 of title 5, provided that the proceedings include a hearing similar in nature to that authorized by section 553.

(2) CONSULTATION.—In formulating standards under this section, the Secretary shall consult with the Advisory Committee created by subsection (d) of this section.

(b) COMPLIANCE.—

(1) ACTIONS TO GAIN COMPLIANCE.—The Secretary may make inspections, hold hearings, issue orders, and make decisions based on findings of fact as the Secretary considers necessary to gain compliance with this section and any health and safety standard the Secretary prescribes under subsection (a). For those purposes the Secretary and the United States district courts have the authority and jurisdiction provided by sections 4 and 5 of the Walsh-Healey Act (41 U.S.C. 38, 39).

(2) REMEDY WHEN NONCOMPLIANCE FOUND.—When the Secretary, after an opportunity for an adjudicatory hearing by the Secretary, establishes noncompliance under this section of any condition of a contract described in—

(A) section 3701(b)(1)(B)(i) or (ii) of this title, the governmental agency for which the contract work is done may cancel the contract and make other contracts for the completion of the contract work, charging any additional cost to the original contractor; or

(B) section 3701(b)(1)(B)(iii) of this title, the governmental agency which is providing the financial guarantee, assistance, or insurance for the contract work may withhold the guarantee, assistance, or insurance attributable to the performance of the contract.

(3) NONAPPLICABILITY.—Section 3703 of this title does not apply to the enforcement of this section.

(c) REPEATED VIOLATIONS.—

(1) TRANSMITTAL OF NAMES OF REPEAT VIOLATORS TO COMPTROLLER GENERAL.—When the Secretary, after an opportunity for an agency hearing, decides on the record that, by repeated willful or grossly negligent violations of this chapter, a contractor or subcontractor has demonstrated that subsection (b) is not effective to protect the safety and health of the employees of the contractor or subcontractor, the Secretary shall make

a finding to that effect and, not sooner than 30 days after giving notice of the finding to all interested persons, shall transmit the name of the contractor or subcontractor to the Comptroller General.

(2) **BAN ON AWARDING CONTRACTS.**—The Comptroller General shall distribute each name transmitted under paragraph (1) to all agencies of the Federal Government. Unless the Secretary otherwise recommends, the contractor, subcontractor, or any person in which the contractor or subcontractor has a substantial interest may not be awarded a contract subject to this section until three years have elapsed from the date the name is transmitted to the Comptroller General. The Secretary shall terminate the ban if, before the end of the three-year period, the Secretary, after affording interested persons due notice and an opportunity for a hearing, is satisfied that a contractor or subcontractor whose name was transmitted to the Comptroller General will comply responsibly with the requirements of this section. The Comptroller General shall inform all Government agencies after being informed of the Secretary's action.

(3) **JUDICIAL REVIEW.**—A person aggrieved by the Secretary's action under this subsection or subsection (b) may file with the appropriate United States court of appeals a petition for review of the Secretary's action within 60 days after receiving notice of the Secretary's action. The clerk of the court immediately shall send a copy of the petition to the Secretary. The Secretary then shall file with the court the record on which the action is based. The findings of fact by the Secretary, if supported by substantial evidence, are final. The court may enter a decree enforcing, modifying, modifying and enforcing, or setting aside any part of, the order of the Secretary or the appropriate Government agency. The judgment of the court may be reviewed by the Supreme Court as provided in section 1254 of title 28.

(d) **ADVISORY COMMITTEE ON CONSTRUCTION SAFETY AND HEALTH.**—

(1) **ESTABLISHMENT.**—There is an Advisory Committee on Construction Safety and Health in the Department of Labor.

(A) Three members shall be individuals representative of contractors to whom this section applies.

(B) Three members shall be individuals representative of employees primarily in the building trades and construction industry engaged in carrying out contracts to which this section applies.

(1) provide for the establishment and supervision of programs for the education and training of employers and employees in the recognition, avoidance, and prevention of unsafe working conditions in employment covered by this chapter; and

(2) collect reports and data and consult with and advise employers as to the best means of preventing injuries.

§ 3706. Limitations, variations, tolerances, and exemptions

The Secretary of Labor may provide reasonable limitations to, and may prescribe regulations allowing reasonable variations to, tolerances from, and exemptions from, this chapter that the Secretary may find necessary and proper in the public interest to prevent injustice or undue hardship or to avoid serious impairment of the conduct of Federal Government business.

§ 3707. Contractor certification or contract clause in acquisition of commercial items not required

In a contract to acquire a commercial item (as defined in section 4 of the Office of Federal Procurement Policy Act (41 U.S.C. 403)), a certification by a contractor or a contract clause may not be required to implement a prohibition or requirement in this chapter.

§ 3708. Criminal penalties

(5) there is an increasing mutuality of interest and responsibility between the various levels of government that calls for coordinate and unified policies in planning both federal and local development in the interest of order and economy;

(2) OBJECTIVE.—The general objective of this chapter (except sections 8733–8736) is to enable appropriate agencies to plan for the development of the federal establishment at the seat of government in a manner—

(A) consistent with the nature and function of the National Capital and with due regard for the rights and prerogatives of the adjoining States and local governments to exercise control appropriate to their functions; and

(B) which will, in accordance with present and future needs, best promote public health, safety, morals, order, convenience, prosperity, and the general welfare, as well as efficiency and economy in the process of development.

SUBCHAPTER III—PLANNING PROCESS

§ 8721. Comprehensive plan for the National Capital

(a) PREPARATION AND ADOPTION BY COMMISSION.—The National Capital Planning Commission shall prepare and adopt a comprehensive, consistent, and coordinated plan for the National Capital. The plan shall include the Commission's recommendations or proposals for federal developments or projects in the environs and District elements of the comprehensive plan, or amendments to the elements, adopted by the Council of the District of Columbia and with respect to which the Commission has not determined a negative impact exists. Those elements or amendments shall be incorporated into the comprehensive plan without change. The Commission may include in its plan any part of a plan adopted by any planning agency in the environs and may make recommendations of collateral interest to the agencies. The Commission may adopt any part of an element. The Commission shall review and may amend or extend the plan so that its recommendations may be kept up to date.

(b) REVIEW BY DISTRICT OF COLUMBIA.—The Mayor of the District of Columbia shall submit each District element of the comprehensive plan, and any amendment, to the Council for revision or modification, and adoption, by act, following public hearings. Following adoption and prior to implementation, the Council shall submit each element or amendment to the Commission for review and comment with regard to the impact of the element or amendment on the interests or functions of the federal establishment in the National Capital.

(c) COMMISSION RESPONSE TO COUNCIL ACTION.—

(1) PERIOD OF REVIEW.—Within 60 days after receiving an element or amendment from the Council, the Commission shall certify to the Council whether the element or amendment has a negative impact on the interests or functions of the federal establishment in the National Capital.

(C) FINDINGS AND RECOMMENDATIONS ACCEPTED.—If the Council accepts the findings and recommendations and modifies the element or amendment, the Council shall submit the element or amendment to the Commission for the Commission to determine whether the modification has been made in accordance with the Commission's findings and recommendations. If the Commission does not act on the modified element or amendment within 30 days after receiving it, the element or amendment is deemed to have been modified in accordance with the findings and recommendations and shall be incorporated into the comprehensive plan for the National Capital and implemented. If within the 30-day period the Commission again determines the element or amendment has a negative impact on the functions or interests of the federal establishment in the National Capital, the element or amendment shall not be implemented.

(D) FINDINGS AND RECOMMENDATIONS REJECTED.—If the Council rejects the findings and recommendations and resubmits a modified element or amendment, the Commission, within 60 days after receiving it, shall decide whether the modified element or amendment has a negative impact on the interests or functions of the federal establishment within the National Capital. If the Commission does not act within the 60-day period, the modified element or amendment is deemed to have no negative impact and shall be incorporated into the comprehensive plan and implemented. If the Commission finds a negative impact, it shall certify its findings (in sufficient detail that the Council can understand the basis of the objection of the Commission) and recommendations to the Council and the element or amendment shall not be implemented.

(d) RESUBMISSION DEEMED NEW ELEMENT OR AMENDMENT.—Any element or amendment which the Commission has determined has a negative impact on the federal establishment in the National Capital which is submitted again in a modified form not less than one year from the day it was last rejected by the Commission is deemed to be a new element or amendment for purposes of the review procedure specified in this section.

(e) REVIEW, HEARINGS, AND CITIZEN ADVISORY COUNCILS.—

(1) REVIEW.—Before the comprehensive plan, any element of the plan, or any revision is adopted, the Commission shall present the plan, element, or revision to the appropriate federal or District of Columbia authorities for comment and recommendations. The Commission may present the proposed revisions annually in a consolidated form. Recommendations by federal and District of Columbia authorities are not binding

on the Commission, but the Commission shall give careful consideration to any views and recommendations submitted prior to final adoption.

(2) HEARINGS AND CITIZEN ADVISORY COUNCILS.—The Commission—

(A) may provide periodic opportunity for review and comments by nongovernmental agencies or groups through public hearings, meetings, or conferences, exhibitions, and publication of its plans; and

(f) EXTENSION OF TIME LIMITATIONS.—On request of the Commission, the Council may grant an extension of any time limitation contained in this section.

(g) PUBLISHING COMPREHENSIVE PLAN.—As appropriate, the Commission and the Mayor jointly shall publish a comprehensive plan for the National Capital, consisting of the elements of the comprehensive plan for the federal activities in the National Capital developed by the Commission and the District elements developed by the Mayor and the Council in accordance with this section.

(h) PROCEDURES FOR CONSULTATION.—

(1) COMMISSION AND MAYOR.—The Commission and the Mayor jointly shall establish procedures for appropriate meaningful continuing consultation throughout the planning process for the National Capital.

(2) GOVERNMENT AGENCIES.—In order that the National Capital may be developed in accordance with the comprehensive plan, the Commission, with the consent of each agency concerned as to its representation, may establish advisory and coordinating committees composed of representatives of agencies of the Federal and District of Columbia Governments as may be necessary or helpful to obtain the maximum amount of cooperation and correlation of effort among the various agencies. As it considers appropriate, the Commission may invite representatives of the planning and developmental agencies of the environs to participate in the work of the committees.

§ 8722. Proposed federal and district developments and projects

(a) AGENCIES TO USE COMMISSION AS CENTRAL PLANNING AGENCY.—Agencies of the Federal Government responsible for public developments and projects shall cooperate and correlate their efforts by using the National Capital Planning Commission as the central planning agency for federal activities in the National Capital region. To aid the Commission in carrying out this function, federal and District of Columbia governmental agencies on request of the Commission shall furnish plans, data, and records the Commission requires. The Commission on request shall furnish related plans, data, and records to federal and District of Columbia governmental agencies.

(b) CONSULTATION BETWEEN AGENCIES AND COMMISSION.—

(1) BEFORE CONSTRUCTION PLANS PREPARED.—To ensure the comprehensive planning and orderly development of the National Capital, a federal or District of Columbia agency, before preparing construction plans the agency originates for proposed developments and projects or before making a commitment to acquire land, to be paid for at least in part from

federal or District amounts, shall advise and consult with the Commission as the agency prepares plans and programs in preliminary and successive stages that affect the plan and development of the National Capital. After receiving the plans, maps, and data, the Commission promptly shall make a preliminary report and recommendations to the agency. If the agency, after considering the report and recommendations of the Commission, does not agree, it shall advise the Commission and provide the reasons why it does not agree. The Commission then shall submit a final report. After consultation and suitable consideration of the views of the Commission, the agency may proceed to take action in accordance with its legal responsibilities and authority.

(2) EXCEPTIONS.—

(A) IN GENERAL.—Paragraph (1) does not apply to projects within the Capitol grounds or to structures erected by the Department of Defense during wartime or national emergency within existing military, naval, or Air Force reservations, except that the appropriate defense agency shall consult with the Commission as to any developments which materially affect traffic or require coordinated planning of the surrounding area.

(B) ADVANCE DECISIONS OF COMMISSION.—The Commission shall determine in advance the type or kinds of plans, developments, projects, improvements, or acquisitions which do not need to be submitted for review by the Commission as to conformity with its plans.

(c) ADDITIONAL PROCEDURE FOR DEVELOPMENTS AND PROJECTS WITHIN ENVIRONS.—

(1) SUBMISSION TO COMMISSION.—Within the environs, general plans showing the location, character, and extent of, and intensity of use for, proposed federal and District developments and projects involving the acquisition of land shall be submitted to the Commission for report and recommendations before a final commitment to the acquisition is made, unless the matter specifically has been approved by law.

(2) COMMISSION ACTION.—Before acting on any general plan, the Commission shall advise and consult with the appropriate planning agency having jurisdiction over the affected part of the environs. When the Commission decides that proposed developments or projects submitted to the Commission under subsection (b) involve a major change in the character or intensity of an existing use in the environs, the Commission shall advise and consult with the planning agency. The report and recommendations shall be submitted within 60 days and shall be accompanied by any reports or recommendations of the planning agency.

(3) WORKING WITH STATE OR LOCAL AUTHORITY OR AGENCY.—In carrying out its planning functions with respect to federal developments or projects in the environs, the Commission may work with, and make agreements with, any state or local authority or planning agency as the Commission considers necessary to have a plan or proposal adopted and carried out.

(d) APPROVAL OF FEDERAL PUBLIC BUILDINGS.—The provisions of the Act of June 20, 1938 (ch. 534, 52 Stat. 802) shall not apply to federal public buildings. In order to ensure the orderly development of the National Capital, the location, height, bulk,

number of stories, and size of federal public buildings in the District of Columbia and the provision for open space in and around federal public buildings in the District of Columbia is subject to the approval of the Commission.

(e) APPROVAL OF DISTRICT GOVERNMENT BUILDINGS IN CENTRAL AREA.—Subsection (d) is extended to include public buildings erected by any agency of the Government of the District of Columbia in the central area of the District (as defined by concurrent action of the Commission and the Council of the District of Columbia), except that the Commission shall transmit its approval or disapproval within 30 days after the day the proposal was submitted to the Commission.

§ 8723. Capital improvements

(a) SIX-YEAR PROGRAM OF PUBLIC WORKS PROJECTS.—The National Capital Planning Commission shall recommend a six-year program of public works projects for the Federal Government which the Commission shall review annually with the agencies concerned. (b) SUBMISSION OF MULTIYEAR CAPITAL IMPROVEMENT PLAN.—By February 1 of each year, the Mayor of the District of Columbia shall submit to the Commission a copy of the multiyear capital improvements plan for the District of Columbia that the Mayor develops under section 444 of the District of Columbia Home Rule Act (Public Law 93–198, 87 Stat. 800). The Planning Commission may also submit to the Zoning Commission proposed amendments or general revisions to the zoning regulations or the zoning map for the District of Columbia.

(b) ADDITIONAL REPORT BY PLANNING COMMISSION.—When requested by an authorized representative of the Planning Commission, the Zoning Commission may recess for a reasonable period of time any public hearing it is holding to consider a proposed amendment to the zoning regulations or map so that the Planning Commission may have an opportunity to present to the Zoning Commission an additional report on the proposed amendment.

(c) ZONING COMMITTEE OF NATIONAL CAPITAL PLANNING COMMISSION.—

(1) ESTABLISHMENT AND COMPOSITION.—There is a Zoning Committee of the National Capital Planning Commission. The Committee consists of at least three members of the Planning Commission the Planning Commission designates for that purpose. The number of members serving on the Committee may vary.

(2) DUTIES.—The Committee shall carry out the functions vested in the Planning Commission under this section and section 8725 of this title—

(B) when requested by the Zoning Commission and approved by the Planning Commission.

§ 8725. Recommendations on platting and subdividing land

(a) BY COUNCIL OF THE DISTRICT OF COLUMBIA.—The Council of the District of Columbia shall submit any proposed change in, or addition to, the regulations or general orders regulating the platting and subdividing of lands and grounds in the District of Columbia to the National Capital Planning Commission for report and recommendation before the Council adopts the change or addition. The Council shall advise the Commission when it does not agree with the recommendations of the Commission and shall give the reasons why it disagrees. The Commission then shall submit a final report within 30 days. After considering the final report, the Council may act in accordance with its legal responsibilities and authority.

(b) BY PLANNING COMMISSION.—The Commission shall submit to the Council any proposed change in, or amendment to, the general orders that the Commission considers appropriate. The Council shall treat the amendments proposed in the same manner as other proposed amendments.

§ 8726. Authorization of appropriations

Amounts necessary to carry out this subchapter may be appropriated from money in the Treasury not otherwise appropriated and from any appropriate appropriation law, except the annual District of Columbia Appropriation Act.

SUBCHAPTER IV—ACQUIRING AND DISPOSING OF LAND

§ 8731. Acquiring land for park, parkway, or playground purposes

(a) AUTHORITY TO ACQUIRE LAND.—The National Capital Planning Commission shall acquire land the Planning Commission believes is necessary and desirable in the District of Columbia and adjacent areas in Maryland and Virginia for suitable development of the National Capital park, parkway, and playground system. The acquisition must be within the limits of the appropriations made for those purposes. The Planning Commission shall request the advice of the Commission of Fine Arts in selecting land to be acquired.

(b) HOW LAND MAY BE ACQUIRED.—

(1) PURCHASE OR CONDEMNATION PROCEEDING.—The National Capital Planning Commission may buy land when the land can be acquired at a price the Planning Commission considers reasonable or by a condemnation proceeding when the land cannot be bought at a reasonable price.

(2) LAND IN THE DISTRICT OF COLUMBIA.—A condemnation proceeding to acquire land in the District of Columbia shall be conducted in accordance with section 1 of the Act of December 23, 1963 (Public Law 88–241, 77 Stat. 571).

(3) LAND IN MARYLAND OR VIRGINIA.—The Planning Commission may acquire land in Maryland or Virginia under arrangements agreed to by the Commission and the proper officials of Maryland or Virginia.

(c) CONTROL OF LAND.—

(1) LAND IN THE DISTRICT OF COLUMBIA.—Land acquired in the District of Columbia shall be a part of the park system of the District of Columbia and be under the control of the Director of the National Park Service. The National Capital Planning Commission may assign areas suitable for playground purposes to the control of the Mayor of the District of Columbia for playground purposes.

(2) LAND IN MARYLAND OR VIRGINIA.—Land acquired in Maryland or Virginia shall be controlled as determined by agreement between the Planning Commission and the proper officials of Maryland or Virginia.

(d) PRESIDENTIAL APPROVAL REQUIRED.—The designation of all land to be acquired by condemnation, all contracts to purchase land, and all agreements between the National Capital Planning Commission and the officials of Maryland and Virginia are subject to the approval of the President.

§ 8732. Acquiring land subject to limited rights reserved to grantor and limited permanent rights in land adjoining park property

(a) IN GENERAL.—The National Capital Planning Commission in accordance with this chapter may acquire, for and on behalf of the Federal Government, by gift, devise, purchase, or condemnation—

(1) fee title to land subject to limited rights, but not for business purposes, reserved to the grantor; and

(2) permanent rights in land adjoining park property sufficient to prevent the use of the land in certain specified ways which would essentially impair the value of the park property for its purposes.

(b) PREREQUISITES TO ACQUISITION.—

(1) FEE TITLE TO LAND SUBJECT TO LIMITED RIGHTS.—The reservation of rights to the grantor shall not continue beyond the life of the grantor of the fee. The Commission must decide that the permanent public park purposes for which control over the land is needed are not essentially impaired by the reserved rights and that there is a substantial saving in cost by acquiring the land subject to the limited rights as compared with the cost of acquiring unencumbered title to the land.

(2) PERMANENT RIGHTS IN LAND ADJOINING PARK PROPERTY.—The Commission must decide that the protection and maintenance of the essential public values of the park can be secured more economically by acquiring the permanent rights than by acquiring the land.

(c) PRESIDENTIAL APPROVAL REQUIRED.—All contracts to acquire land or rights under this section are subject to the approval of the President.

§ 8733. Lease of land acquired for park, parkway, or playground purposes

The Secretary of the Interior may lease, for not more than five years, land or an existing building or structure on land acquired

for park, parkway, or playground purposes, and may renew the lease for an additional five years. A lease or renewal under this section is—

- (1) subject to the approval of the National Capital Planning Commission;
- (2) subject to the need for the immediate use of the land, building, or structure in other ways by the public; and
- (3) on terms the Administrator decides.

§ 8734. Sale of land by Mayor

(a) **AUTHORITY TO SELL.**—With the approval of the National Capital Planning Commission, the Mayor of the District of Columbia, for the best interests of the District of Columbia, may sell to the highest bidder at public or private sale real estate in the District of Columbia owned in fee simple by the District of Columbia for municipal use that the Council of the District of Columbia and the Commission find to be no longer required for public purposes.

- (b) **PAYING EXPENSES AND DEPOSITING PROCEEDS.**—The Mayor—
- (1) may pay the reasonable and necessary expenses of the sale of each parcel of land sold; and
 - (2) shall deposit the net proceeds of each sale in the Treasury to the credit of the District of Columbia.

§ 8735. Sale of land by Secretary of the Interior

(a) **AUTHORITY TO SELL.**—With the approval of the National Capital Planning Commission, the Secretary of the Interior, for the best interests of the Federal Government, may sell, by deed or instrument, real estate held by the Government in the District of Columbia and under the jurisdiction of the National Park Service which may be no longer needed for public purposes. The land may be sold for cash or on a deferred-payment plan the Secretary approves, at a price not less than the Government paid for it and not less than its present appraised value as determined by the Secretary.

(b) **SALE TO HIGHEST BIDDER.**—In selling any parcel of land under this section, the Secretary shall have public or private solicitation for bids or offers be made as the Secretary considers appropriate. The Secretary shall sell the parcel to the party agreeing to pay the highest price if the price is otherwise satisfactory. If the price offered or bid by the owner of land abutting the land to be sold equals the highest price offered or bid by any other party, the parcel may be sold to the owner of the abutting land.

(c) **PAYING EXPENSES AND DEPOSITING PROCEEDS.**—The Secretary—

- (1) may pay the reasonable and necessary expenses of the sale of each parcel of land sold; and
- (2) shall deposit the net proceeds of each sale in the Treasury to the credit of the Government and the District of Columbia in the proportion that each—
 - (A) paid the appropriations used to acquire the parcels;
 - or
 - (B) was obligated to pay the appropriations, at the time of acquisition, by reimbursement.

§ 8736. Execution of deeds

The Mayor of the District of Columbia may execute deeds of conveyance for real estate sold under this subchapter. The deeds shall contain a full description of the land sold as required by law.

§ 8737. Authorization of appropriations

An amount equal to not more than one cent for each inhabitant of the continental United States as determined by the last preceding decennial census may be appropriated each year in the District of Columbia Appropriation Act for the National Capital Planning Commission to use for the payment of its expenses and for the acquisition of land the Commission may acquire under section 8731 of this title for the purposes named, including compensation for the land, surveys, ascertainment of title, condemnation proceedings, and necessary conveyancing. The appropriated amounts shall be paid from the revenues of the District of Columbia and the general amounts of the Treasury in the same proportion as other expenses of the District of Columbia.

SUBTITLE IV—APPALACHIAN REGIONAL DEVELOPMENT

CHAPTER	Sec.
141. GENERAL PROVISIONS	14101
143. APPALACHIAN REGIONAL COMMISSION	14301
145. SPECIAL APPALACHIAN PROGRAMS	14501
147. MISCELLANEOUS	14701

CHAPTER 141—GENERAL PROVISIONS

Sec.
14101. Findings and purposes.
14102. Definitions.

§ 14101. Findings and purposes

(a) 1965 FINDINGS AND PURPOSE.—

(1) FINDINGS.—Congress finds and declares that the Appalachian region of the United States, while abundant in natural resources and rich in potential, lags behind the rest of the Nation in its economic growth and that its people have not shared properly in the Nation's prosperity. The region's uneven past development, with its historical reliance on a few basic industries and a marginal agriculture, has failed to provide the economic base that is a vital prerequisite for vigorous, self-sustaining growth. State and local governments and the people of the region understand their problems and have been working, and will continue to work, purposefully toward their solution. Congress recognizes the comprehensive report of the President's Appalachian Regional Commission documenting these findings and concludes that regionwide development is feasible, desirable, and urgently needed.

(2) PURPOSE.—It is the purpose of this subtitle to assist the region in meeting its special problems, to promote its economic development, and to establish a framework for joint federal and state efforts toward providing the basic facilities essential to its growth and attacking its common problems and meeting its common needs on a coordinated and concerted regional basis. The public investments made in the region under this subtitle shall be concentrated in areas where there is a significant potential for future growth and where the expected return on public dollars invested will be the greatest. States will be responsible for recommending local and state projects within their borders that will receive assistance under this subtitle. As the region obtains the needed physical and transportation facilities and develops its human resources, Congress expects that the region will generate a diversified industry and that the region will then be able to support itself through the workings of a strengthened free enterprise economy.

(b) 1975 FINDINGS AND PURPOSE.—

(1) FINDINGS.—Congress further finds and declares that while substantial progress has been made toward achieving the purposes set out in subsection (a), especially with respect to the provision of essential public facilities, much remains to be accomplished, especially with respect to the provision of essential health, education, and other public services. Congress recognizes that changes and evolving national purposes in the decade since 1965 affect not only the Appalachian region but also its relationship to a nation that on December 31, 1975, is assigning higher priority to conservation and the quality of life, values long cherished within the region. Appalachia as of December 31, 1975, has the opportunity, in accommodating future growth and development, to demonstrate local leadership and coordinated planning so that housing, public services, transportation and other community facilities will be provided in a way congenial to the traditions and beauty of the region and compatible with conservation values and an enhanced quality of life for the people of the region, and consistent with that goal, the Appalachian region should be able to take advantage of eco-industrial development, which promotes both employment and economic growth and the preservation of natural resources. Congress recognizes also that fundamental changes are occurring in national energy requirements and production, which not only risk short-term dislocations but will undoubtedly result in major long-term effects in the region. It is essential that the opportunities for expanded energy production be used so as to maximize the social and economic benefits and minimize the social and environmental costs to the region and its people.

(2) PURPOSE.—It is also the purpose of this subtitle to provide a framework for coordinating federal, state and local efforts toward—

(A) anticipating the effects of alternative energy policies and practices;

(B) planning for accompanying growth and change so as to maximize the social and economic benefits and minimize the social and environmental costs; and

(C) implementing programs and projects carried out in the region by federal, state, and local governmental agencies so as to better meet the special problems generated in the region by the Nation's energy needs and policies, including problems of transportation, housing, community facilities, and human services.

(c) 1998 FINDINGS AND PURPOSE.—

(1) FINDINGS.—Congress further finds and declares that while substantial progress has been made in fulfilling many of the objectives of this subtitle, rapidly changing national and global economies over the decade ending November 13, 1998, have created new problems and challenges for rural areas throughout the United States and especially for the Appalachian region.

(2) PURPOSE.—In addition to the purposes stated in subsections (a) and (b), it is the purpose of this subtitle—

(A) to assist the Appalachian region in—

- (i) providing the infrastructure necessary for economic and human resource development;
- (ii) developing the region's industry;
- (iii) building entrepreneurial communities;
- (iv) generating a diversified regional economy; and
- (v) making the region's industrial and commercial resources more competitive in national and world markets;

(B) to provide a framework for coordinating federal, state, and local initiatives to respond to the economic competitiveness challenges in the Appalachian region through—

- (i) improving the skills of the region's workforce;
- (ii) adapting and applying new technologies for the region's businesses, including eco-industrial development technologies; and
- (iii) improving the access of the region's businesses to the technical and financial resources necessary to development of the businesses; and

(C) to address the needs of severely and persistently distressed areas of the Appalachian region and focus special attention on the areas of greatest need so as to provide a fairer opportunity for the people of the region to share the quality of life generally enjoyed by citizens across the United States.

(d) **LIMITATION ON AVAILABLE AMOUNTS.**—Not more than 50 percent (or 80 percent in the case of a project to be carried out in a county for which a distressed county designation is in effect under section 14526 of this title) of the cost of any activity eligible for a grant under this section may be provided from amounts appropriated to carry out this section.

(e) **SOURCES OF ASSISTANCE.**—Assistance under this section may be provided entirely from amounts made available to carry out this section, in combination with amounts made available under other federal programs, or from any other source.

(f) **FEDERAL SHARE.**—Notwithstanding any provision of law limiting the federal share under any other federal program, amounts made available to carry out this section may be used to increase that Federal share, as the Commission decides is appropriate.

§ 14507. Supplements to federal grant programs

(a) **DEFINITION.**—

(1) **FEDERAL GRANT PROGRAMS.**—In this section, the term “federal grant programs”—

(A) means any federal grant program that provides assistance for the acquisition or development of land, the construction or equipment of facilities, or other community or economic development or economic adjustment activities, including a federal grant program authorized by—

- (i) the Consolidated Farm and Rural Development Act (7 U.S.C. 1921 et seq.);

(ix) part IV of title III of the Communications Act of 1934 (47 U.S.C. 390 et seq.); but

(B) does not include—

(i) the program for the construction of the development highway system authorized by section 14501 of this title or any other program relating to highway or road construction authorized by title 23; or

(ii) any other program to the extent that financial assistance other than a grant is authorized.

(2) CERTAIN SEWAGE TREATMENT WORKS DEEMED CONSTRUCTED WITH FEDERAL GRANT ASSISTANCE.—For the purpose of this section, any sewage treatment works constructed pursuant to title II of the Federal Water Pollution Control Act (33 U.S.C. 1281 et seq.) (known as the Clean Water Act) without federal grant assistance under that title is deemed to be constructed with that assistance.

(b) PURPOSE.—To enable the people, States, and local communities of the Appalachian region, including local development districts, to take maximum advantage of federal grant programs for which they are eligible but for which, because of their economic situation, they cannot supply the required matching share, or for which there are insufficient amounts available under the federal law authorizing the programs to meet pressing needs of the region, the Federal Cochairman may use amounts made available to carry out this section—

(1) for any part of the basic federal contribution to projects or activities under the federal grant programs authorized by federal laws; and

(2) to increase the federal contribution to projects and activities under the programs above the fixed maximum part of the cost of the projects or activities otherwise authorized by the applicable law.

(c) CERTIFICATION REQUIRED.—For a program, project, or activity for which any part of the basic federal contribution to the project or activity under a federal grant program is proposed to be made under subsection (b), the contribution shall not be made until the responsible federal official administering the federal law authorizing the contribution certifies that the program, project, or activity meets the applicable requirements of the federal law and could be approved for federal contribution under that law if amounts were available under the law for the program, project, or activity.

(d) LIMITATIONS IN OTHER LAWS INAPPLICABLE.—Amounts provided pursuant to this subtitle are available without regard to

any limitations on areas eligible for assistance or authorizations for appropriation in any other law.

(e) ACCEPTANCE OF CERTAIN MATERIAL.—For a supplemental grant for a project or activity under a federal grant program, the Federal Cochairman shall accept any finding, report, certification, or documentation required to be submitted to the head of the department, agency, or instrumentality of the Federal Government responsible for the administration of the program.

(f) FEDERAL SHARE.—The federal portion of the cost of a project or activity shall not—

(1) be increased to more than the percentages the Commission establishes; nor

(2) be more than 80 percent of the cost.

(2) DISTRESSED COUNTIES.—The maximum Commission contribution for a project or activity to be carried out in a county for which a distressed county designation is in effect under section 14526 of this title may be increased to 80 percent.

SUBCHAPTER II—ADMINISTRATIVE

§ 14521. Required level of expenditure

A State or political subdivision of a State is not eligible to receive benefits under this subtitle unless the aggregate expenditure of state amounts, except expenditures for participation in the Dwight D. Eisenhower System of Interstate and Defense Highways and local and federal amounts, for the benefit of the area within the State located in the Appalachian region is maintained at a level which does not fall below the average level of those expenditures for the State's last two full fiscal years prior to March 9, 1965. In computing the level, a State's past expenditure for participation in the Dwight D. Eisenhower System of Interstate and Defense Highways and expenditures of local and federal amounts shall not be included. The Commission shall recommend to the President a lesser requirement when it finds that a substantial population decrease in that part of a State which lies within the region would not justify a state expenditure equal to the average level of the last two years or when it finds that a State's average level of expenditure in an individual program has been disproportionate to the present need for that part of the State.

§ 14522. Consent of States

This subtitle does not require a State to engage in or accept a program under this subtitle without its consent.

§ 14523. Program implementation

(a) REQUIREMENTS.—A program or project authorized under this chapter shall not be implemented until—

(1) the responsible federal official has decided that applications and plans relating to the program or project are not incompatible with the provisions and objectives of federal laws that the official administers that are not inconsistent with this subtitle; and

(2) the Appalachian Regional Commission has approved the program or project and has determined that it—

(A) meets the applicable criteria under section 14524 of this title and the requirements of the development planning process under section 14525 of this title; and

(B) will contribute to the development of the Appalachian region.

(b) DECISION IS CONTROLLING.—A decision under subsection (a)(2) is controlling and shall be accepted by the federal agencies.

§ 14524. Program development criteria

(a) FACTORS TO BE CONSIDERED.—In considering programs and projects to be given assistance under this subtitle, and in establishing a priority ranking of the requests for assistance presented to the Appalachian Regional Commission, the Commission shall follow procedures that will ensure consideration of—

(1) the relationship of the project or class of projects to overall regional development, including its location in a severely and persistently distressed county or area;

(2) the population and area to be served by the project or class of projects, including the per capita market income and the unemployment rates in the area;

(3) the relative financial resources available to the State or political subdivisions or instrumentalities of the State that seek to undertake the project;

(4) the importance of the project or class of projects in relation to other projects or classes of projects that may be in competition for the same amounts;

(5) the prospects that the project for which assistance is sought will improve, on a continuing rather than a temporary basis, the opportunities for employment, the average level of income, or the economic and social development of the area served by the project; and

(6) the extent to which the project design provides for detailed outcome measurements by which grant expenditures may be evaluated.

(b) LIMITATION ON USE.—Financial assistance made available under this subtitle shall not be used to assist establishments relocating from one area to another.

(c) DETERMINATION REQUIRED BEFORE AMOUNTS MAY BE PROVIDED.—Amounts may be provided for programs and projects in a State under this subtitle only if the Commission determines that the level of federal and state financial assistance under other laws for the same type of programs or projects in that part of the State within the Appalachian region will not be diminished in order to substitute amounts authorized by this subtitle.

(d) MINIMUM AMOUNT OF ASSISTANCE TO DISTRESSED COUNTIES AND AREAS.—For each fiscal year, not less than 50 percent of the amount of grant expenditures the Commission approves shall support activities or projects that benefit severely and persistently distressed counties and areas.

§ 14525. State development planning process

(a) STATE DEVELOPMENT PLAN.—Pursuant to policies the Appalachian Regional Commission establishes, each state member shall submit a development plan for the area of the State within the Appalachian region. The plan shall—

(1) be submitted according to a schedule the Commission prescribes;

(2) reflect the goals, objectives, and priorities identified in the regional development plan and in any subregional development plan that may be approved for the subregion of which the State is a part;

(3) describe the state organization and continuous process for Appalachian development planning, including—

(A) the procedures established by the State for the participation of local development districts in the process;

(B) how the process is related to overall statewide planning and budgeting processes; and

(C) the method of coordinating planning and projects in the region under this subtitle, the Public Works and Economic Development Act of 1965 (42 U.S.C. 3121 et seq.), and other federal, state, and local programs;

(4) set forth the goals, objectives, and priorities of the State for the region, as established by the Governor, and identify the needs on which the goals, objectives, and priorities are based; and

(5) describe the development strategies for achieving the goals, objectives, and priorities, including funding sources, and recommendations for specific projects to receive assistance under this subtitle.

(b) AREAWIDE ACTION PROGRAMS.—The Commission shall encourage the preparation and execution of areawide action programs that specify interrelated projects and schedules of actions, the necessary agency funding, and other commitments to implement the programs. The programs shall make appropriate use of existing plans affecting the area.

(c) LOCAL DEVELOPMENT DISTRICTS.—Local development districts certified by the State as described in section 14102(a)(2) of this title provide the linkage between state and substate planning and development. The districts shall assist the States in the coordination of areawide programs and projects and may prepare and adopt areawide plans or action programs. In carrying out the development planning process, including the selection of programs and projects for assistance, States shall consult with local development districts, local units of government, and citizen groups and shall consider the goals, objectives, priorities, and recommendations of those bodies.

(d) FEDERAL RESPONSIBILITIES.—To the maximum extent practicable, federal departments, agencies, and instrumentalities undertaking or providing financial assistance for programs or projects in the region shall—

(1) take into account the policies, goals, and objectives the Commission and its member States establish pursuant to this subtitle;

(2) recognize Appalachian state development strategies approved by the Commission as satisfying requirements for overall economic development planning under the programs or projects; and

(3) accept the boundaries and organization of any local development district certified under this subtitle that the Governor may designate as the areawide agency required under any of those programs undertaken or assisted by those federal departments, agencies, and instrumentalities.

§ 14526. Distressed and economically strong counties

(a) DESIGNATIONS.—

(1) IN GENERAL.—The Appalachian Regional Commission, in accordance with criteria the Commission may establish, each year shall—

(A) designate as “distressed counties” those counties in the Appalachian region that are the most severely and persistently distressed; and

(B) designate two categories of economically strong counties, consisting of—

(i) “competitive counties”, which shall be those counties in the region that are approaching economic parity with the rest of the United States; and

(ii) “attainment counties”, which shall be those counties in the region that have attained or exceeded economic parity with the rest of the United States.

(2) ANNUAL REVIEW OF DESIGNATIONS.—The Commission shall—

(A) conduct an annual review of each designation of a county under paragraph (1) to determine if the county still meets the criteria for the designation; and

(B) renew the designation for another one-year period only if the county still meets the criteria.

(b) DISTRESSED COUNTIES.—In program and project development and implementation and in the allocation of appropriations made available to carry out this subtitle, the Commission shall give special consideration to the needs of counties for which a distressed county designation is in effect under this section.

(c) ECONOMICALLY STRONG COUNTIES.—

(1) COMPETITIVE COUNTIES.—Except as provided in paragraphs (3) and (4), assistance under this subtitle for a project that is carried out in a county for which a competitive county designation is in effect under this section shall not be more than 30 percent of the project cost.

(2) ATTAINMENT COUNTIES.—Except as provided in paragraphs (3) and (4), amounts may not be provided under this subtitle for a project that is carried out in a county for which an attainment county designation is in effect under this section.

(3) EXCEPTIONS.—Paragraphs (1) and (2) do not apply to—

(A) a project on the Appalachian development highway system authorized by section 14501 of this title;

(B) a local development district administrative project assisted under section 14321(a)(1)(A) of this title; or

(C) a multicounty project that is carried out in at least two counties designated under this section if—

(i) at least one of the participating counties is designated as a distressed county under this section; and

(ii) the project will be of substantial direct benefit to at least one distressed county.

(4) WAIVER.—

(A) IN GENERAL.—The Commission may waive the requirements of paragraphs (1) and (2) for a project when the recipient of assistance for the project shows the existence of any of the following:

(i) a significant pocket of distress in the part of the county in which the project is carried out.

(ii) a significant potential benefit from the project in at least one area of the region outside the designated county.

(B) REPORTS TO CONGRESS.—The Commission shall submit to the Committee on Environment and Public Works of the Senate and the Committee on Transportation and Infrastructure of the House of Representatives an annual report describing each waiver granted under subparagraph (A) during the period covered by the report.

fiscal year in which the budget is submitted, the current fiscal year, and the fiscal year for which the budget is submitted, of the cost savings that have been achieved, that are estimated will be achieved, and that could be achieved, in the acquisition, maintenance, leasing, operation, and disposal of motor vehicles by executive agencies through—

- (1) the use of a qualified private fleet management firm or another private contractor;
- (2) increased reliance by executive agencies on the Interagency Fleet Management System the Administrator of General Services operates; or
- (3) other existing motor vehicle management systems.

§ 17506. Reduction of storage and disposal costs

The Administrator of General Services shall take such actions as may be necessary to reduce motor vehicle storage and disposal costs and to improve the rate of return on motor vehicle sales through a program of vehicle reconditioning prior to sale.

§ 17507. Savings

(a) ACTIONS BY PRESIDENT REQUIRED.—The President shall establish, for each executive agency, goals to reduce outlays for the operation, maintenance, leasing, acquisition, and disposal of motor vehicles in order to reduce, by fiscal year 1988, the total amount of outlays by all executive agencies for the operation, maintenance, leasing, acquisition, and disposal of motor vehicles to an amount which is \$150,000,000 less than the amount for the operation, maintenance, leasing, acquisition, and disposal of motor vehicles requested by the President in the budget submitted under section 1105 of title 31 for fiscal year 1986.

(b) MONITORING OF COMPLIANCE.—The Director of the Office of Management and Budget shall monitor compliance by executive agencies with the goals established by the President under subsection (a) and shall include, in each summary and analysis required under section 17505 of this title, a statement specifying the reductions in expenditures by executive agencies, including the Department of Defense, achieved under those goals.

§ 17508. Compliance

(a) ADMINISTRATOR OF GENERAL SERVICES.—The Administrator of General Services shall comply with and be subject to this chapter with regard to all motor vehicles that are used within the General Services Administration for official purposes.

(b) MANAGERS OF OTHER MOTOR POOLS.—This chapter with respect to motor vehicles from the Interagency Fleet Management System shall be complied with by the executive agencies to which such motor vehicles are assigned.

§ 17509. Applicability

(a) PRIORITY IN REDUCING HEADQUARTERS USE.—The heads of executive agencies shall give first priority to meeting the goals established by the President under section 17507(a) of this title by reducing the costs of administrative motor vehicles used at the headquarters and regional headquarters of executive agencies, rather than by reducing the costs of motor vehicles used by line agency personnel working in agency field operations or activities.

(b) REGULATIONS, STANDARDS, AND DEFINITIONS.—The President shall require the Administrator of General Services, in cooperation with the Director of the Office of Management and Budget, to prescribe appropriate regulations, standards, and definitions to ensure that executive agencies meet the goals established under section 17507(a) of this title in the manner prescribed by subsection (a).

§ 17510. Cooperation

The Director of the Office of Management and Budget and the Administrator of General Services shall cooperate closely in the implementation of this chapter.

§ 17704. Contents of agreements for transfer

An agreement by which a transfer is made under this chapter shall provide that—

(1) subject to regulations of the Federal Communications Commission and of any body or commission established by Alaska to govern and regulate communications services to the public and all applicable statutes, treaties, and conventions, the person to whom the transfer is made shall provide the communication services involved in the transfer without interruption, except those services reserved by the Federal Government in the transfer;

(2) the rates and charges for those services applicable at the time of transfer shall not be changed for a period of one year from the date of the transfer unless approved by a governmental body or commission having jurisdiction; and

**CHAPTER 179—ALASKA FEDERAL-CIVILIAN ENERGY
EFFICIENCY SWAP**

Sec.

17901. Definitions.

17902. Sale of electric energy.

17903. Purchase of electric power.

17904. Implementation powers and limitations.

§ 17901. Definitions

In this chapter, the following definitions apply:

(1) **FEDERAL AGENCY.**—The term “federal agency” means a department, agency, or instrumentality of the Federal Government.

(2) **FEDERALLY GENERATED ELECTRIC ENERGY.**—The term “federally generated electric energy” means any electric power generated by an electric generating facility owned and operated by a federal agency.

(3) **NON-FEDERAL PERSON.**—The term “non-federal person” means a corporation, cooperative, municipality, or other non-federal entity that generates electric energy through a facility other than a federally owned electric generating facility.

§ 17902. Sale of electric energy

(a) **IN GENERAL.**—To conserve oil and natural gas and better utilize coal, the head of a federal agency may sell, or enter into a contract to sell, to any non-federal person electric energy generated by coal-fired electric generating facilities of that agency in Alaska without regard to any provision of law that precludes the sale when the electric energy to be sold is available from other local sources, if the head of the federal agency determines that—

(1) the electric energy to be sold is generated by an existing coal-fired generating facility;

(2) the electric energy to be sold is surplus to the federal agency’s needs and is in excess of the electric energy specifically generated for consumption by, or necessary to serve the requirements of, another federal agency;

(3) the cost to the ultimate consumers of the electric energy to be sold is less than the cost that, in the absence of the sale, would be incurred by those consumers for the purchase of an equivalent amount of energy; and

(4) the sale will reduce the total consumption of oil or natural gas by the non-federal person purchasing the electric energy below the level of consumption that would occur in the absence of the sale.

(b) **PRICING POLICIES.**—Federally generated electric energy sold by the head of a federal agency under subsection (a) shall be priced to recover the fuel and variable operation and maintenance costs of the facility generating the energy that are attributable to that sale, plus an amount equal to one-half the difference between—

(1) the costs of producing the electric energy by coal generation; and

(2) the costs of producing electric energy by the oil or gas generation being displaced.

§ 17903. Purchase of electric power

For purposes of economy, efficiency, and conserving oil and natural gas, the head of a federal agency, when practicable and consistent with other laws and requirements applicable to that agency, shall endeavor to purchase electric energy from a non-federal person for consumption in Alaska by a facility of that agency when (taking into account the remaining useful life of any facility available to that agency to generate electric energy for that agency and the cost of maintaining the facility on a standby basis) the purchase will result in—

(1) a savings to other consumers of electric energy sold by that non-federal person without increasing the cost incurred by any federal agency for electric energy; or

(2) a cost savings to the federal agency purchasing the electric energy without increasing costs to other consumers of electric energy.

§ 17904. Implementation powers and limitations

(a) ACCOMMODATION OF NEEDS FOR ELECTRIC ENERGY.—This chapter does not require or authorize a federal agency to construct a new electric generating facility or related facility, to modify an existing facility, or to employ reserve or standby equipment to accommodate the needs of a non-federal person for electric energy.

(b) AVAILABILITY OF REVENUE FROM SALES.—Revenue received by a federal agency pursuant to section 17902 of this title from the sale of electric energy generated from a facility of that agency is available to the agency without fiscal year limitation to purchase fuel and for operation, maintenance, and other costs associated with that facility.

(c) EXERCISE OF AUTHORITIES.—The authority under this chapter shall be exercised for those periods and pursuant to terms and conditions that the head of the federal agency concerned decides are necessary consistent with—

(1) this chapter; and

(2) responsibilities of the head of the federal agency under other law.

(d) NEGOTIATION AND EXECUTION OF CONTRACTS AND OTHER AGREEMENTS.—A contract or other agreement executed under this chapter shall be negotiated and executed by the head of the federal agency selling or purchasing electric energy under this chapter.

(b) **PLANNING TO ASSIMILATE TECHNOLOGICAL DEVELOPMENTS.**—In planning future alterations to and modifications of the federal telecommunications system, the Administrator shall take into account—

(2) technological improvements in telecommunications devices and systems that provide accessibility to hearing-impaired and speech-impaired individuals.

§ 18104. TTY installation by Congress

Each House of Congress shall establish a policy under which Members of the House of Representatives and the Senate may obtain TTY's for use in communicating with hearing-impaired and speech-impaired individuals, and for the use of hearing-impaired and speech-impaired employees.

CHAPTER 183—NATIONAL CAPITAL AREA INTEREST ARBITRATION STANDARDS

Sec.	
18301.	Findings and purposes.
18302.	Definitions.
18303.	Standards for arbitrators.
18304.	Procedures for enforcement of awards.

§ 18301. Findings and purposes

(a) **FINDINGS.**—Congress finds that—

(1) affordable public transportation is essential to the economic vitality of the national capital area and is an essential component of regional efforts to improve air quality to meet environmental requirements and to improve the health of both residents of and visitors to the national capital area as well as to preserve the beauty and dignity of the Nation's capital;

(2) use of mass transit by both residents of and visitors to the national capital area is substantially affected by the

prices charged for mass transit services, prices that are substantially affected by labor costs, since more than two-thirds of operating costs are attributable to labor costs;

(3) labor costs incurred in providing mass transit in the national capital area have increased at an alarming rate and wages and benefits of operators and mechanics currently are among the highest in the Nation;

(4) higher operating costs incurred for public transit in the national capital area cannot be offset by increasing costs to patrons, since this often discourages ridership and thus undermines the public interest in promoting the use of public transit;

(5) spiraling labor costs cannot be offset by the governmental entities that are responsible for subsidy payments for public transit services since local governments generally, and the District of Columbia government in particular, are operating under severe fiscal constraints;

(6) imposition of mandatory standards applicable to arbitrators resolving arbitration disputes involving interstate compact agencies operating in the national capital area will ensure that wage increases are justified and do not exceed the ability of transit patrons and taxpayers to fund the increase; and

(7) federal legislation is necessary under section 8 of Article I of the United States Constitution to balance the need to moderate and lower labor costs while maintaining industrial peace.

(b) PURPOSE.—The purpose of this chapter is to adopt standards governing arbitration that must be applied by arbitrators resolving disputes involving interstate compact agencies operating in the national capital area in order to lower operating costs for public transportation in the Washington metropolitan area.

§ 18302. Definitions

In this chapter, the following definitions apply:

(1) ARBITRATION.—The term “arbitration”—

(A) means the arbitration of disputes, regarding the terms and conditions of employment, that is required under an interstate compact governing an interstate compact agency operating in the national capital area; but

(B) does not include the interpretation and application of rights arising from an existing collective bargaining agreement.

(2) ARBITRATOR.—The term “arbitrator” refers to either a single arbitrator, or a board of arbitrators, chosen under applicable procedures.

(3) INTERSTATE COMPACT AGENCY OPERATING IN THE NATIONAL CAPITAL AREA.—The term “interstate compact agency operating in the national capital area” means any interstate compact agency that provides public transit services and that was established by an interstate compact to which the District of Columbia is a signatory.

§ 18303. Standards for arbitrators

(a) DEFINITION.—In this section, the term “public welfare” includes, with respect to arbitration under an interstate compact—

(1) the financial ability of the individual jurisdictions participating in the compact to pay for the costs of providing public transit services; and

(2) the average per capita tax burden, during the term of the collective bargaining agreement to which the arbitration relates, of the residents of the Washington metropolitan area, and the effect of an arbitration award rendered under that arbitration on the respective income or property tax rates of the jurisdictions that provide subsidy payments to the interstate compact agency established under the compact.

(b) **FACTORS IN MAKING ARBITRATION AWARD.**—An arbitrator rendering an arbitration award involving the employees of an interstate compact agency operating in the national capital area may not make a finding or a decision for inclusion in a collective bargaining agreement governing conditions of employment without considering the following factors:

(1) The existing terms and conditions of employment of the employees in the bargaining unit.

(2) All available financial resources of the interstate compact agency.

(3) The annual increase or decrease in consumer prices for goods and services as reflected in the most recent consumer price index for the Washington metropolitan area, published by the Bureau of Labor Statistics.

(4) The wages, benefits, and terms and conditions of the employment of other employees who perform, in other jurisdictions in the Washington standard metropolitan statistical area, services similar to those in the bargaining unit.

(5) The special nature of the work performed by the employees in the bargaining unit, including any hazards or the relative ease of employment, physical requirements, educational qualifications, job training and skills, shift assignments, and the demands placed upon the employees as compared to other employees of the interstate compact agency.

(6) The interests and welfare of the employees in the bargaining unit, including—

(A) the overall compensation presently received by the employees, having regard not only for wage rates but also for wages for time not worked, including vacations, holidays, and other excused absences;

(B) all benefits received by the employees, including previous bonuses, insurance, and pensions; and

(C) the continuity and stability of employment.

(7) The public welfare.

(c) **ABILITY TO FINANCE SALARIES AND BENEFITS PROVIDED IN AWARD.**—An arbitrator rendering an arbitration award involving the employees of an interstate compact agency operating in the national capital area may not, with respect to a collective bargaining agreement governing conditions of employment, provide for salaries and other benefits that exceed the ability of the interstate compact agency, or of any governmental jurisdiction that provides subsidy payments or budgetary assistance to the interstate compact agency, to obtain the necessary financial resources to pay for wage and benefit increases for employees of the interstate compact agency.

(d) **REQUIREMENTS FOR FINAL AWARD.**—

(1) **WRITTEN AWARD.**—In resolving a dispute submitted to arbitration involving the employees of an interstate compact agency operating in the national capital area, the arbitrator shall issue a written award that demonstrates that all the

factors set forth in subsections (b) and (c) have been considered and applied.

(2) **PREREQUISITES.**—An award may grant an increase in pay rates or benefits (including insurance and pension benefits), or reduce hours of work, only if the arbitrator concludes that any costs to the agency do not adversely affect the public welfare.

(3) **SUBSTANTIAL EVIDENCE.**—The arbitrator's conclusion regarding the public welfare must be supported by substantial evidence.

§ 18304. Procedures for enforcement of awards

(a) **MODIFICATIONS AND FINALITY OF AWARD.**—Within 10 days after the parties receive an arbitration award to which section 18303 of this title applies, the interstate compact agency and the employees, through their representative, may agree in writing on any modifications to the award. After the end of that 10-day period, the award, and any modifications, become binding on the interstate compact agency, the employees in the bargaining unit, and the employees' representative.

(b) **IMPLEMENTATION.**—Each party to an award that becomes binding under subsection (a) shall take all actions necessary to implement the award.

(c) **JUDICIAL REVIEW.**—Within 60 days after an award becomes binding under subsection (a), the interstate compact agency or the exclusive representative of the employees concerned may bring a civil action in a court that has jurisdiction over the interstate compact agency for review of the award. The court shall review the award on the record, and shall vacate the award or any part of the award, after notice and a hearing, if—

- (1) the award is in violation of applicable law;
- (2) the arbitrator exceeded the arbitrator's powers;
- (3) the decision by the arbitrator is arbitrary or capricious;
- (4) the arbitrator conducted the hearing contrary to the provisions of this chapter or other laws or rules that apply to the arbitration so as to substantially prejudice the rights of a party;
- (5) there was partiality or misconduct by the arbitrator prejudicing the rights of a party;
- (6) the award was procured by corruption, fraud, or bias on the part of the arbitrator; or
- (7) the arbitrator did not comply with the provisions of section 18303 of this title.

If a provision enacted by this Act is held invalid in any of its applications, the provision remains valid for all valid applications that are severable from any of the invalid applications.

SEC. 6. REPEALS.
